RATE CONFIRMATION AGREEMENT FOR K&L FREIGHT MANAGEMENT, LLC

This Rate Confirmation Agreement ("the RCA") includes all stop-off charges, fuel surcharges, loading, unloading and any additional accessorial charges. This RCA cannot be changed, modified, or supplemented by reference to any other rates, rules, classification, schedule, or tariff. Carrier shall be liable for the full invoice price of cargo with respect to loss, damage, injury, or delay. In no event will any Carrier limitation of liability apply to services hereunder.

K&L Freight Management, LLC. ("K&L") is an expedited freight brokerage company. The loads Carrier agrees to transport are expedited and of a time sensitive nature. Most of K&L's customers are manufacturers that depend on their shipments arriving on time to keep to production schedules or to avoid delays on their production lines. Therefore, any variance to the load-specific expectations of Carrier's performance bears additional consequences, as defined below.

ADDITIONAL TERMS

1. Service and Rate Stipulation

This rate is reliant upon successful and on-time completion of all load terms as orally fixed or written on this RCA, and rate will be reduced by a minimum of 30% if Carrier fails to complete any shipment Terms and Conditions. Rate will be reduced if Carrier picks up or delivers the load after the confirmed and scheduled date and time. Carrier acknowledges that any failure to comply with the terms and conditions for this shipment may endanger or result in loss of future business opportunities with K&L or cancellation of K&L Broker Carrier Agreement (the "Agreement").

2. Accessorial/Waiting Time Charges

K&L will not authorize any receipt that is not from a lumper service. After receipt has been sent to K&L by Carrier, the K&L account manager will revise the RCA with the additional charge for lumper service. If the lumper amount is under \$399, then Carrier consents to K&L assessing a 10% fee of the lumper amount to issue payment. For lumper amounts \$400 and above, the fee is capped at \$40.

DETENTION WILL NOT BE APPROVED AND WILL NOT BE PAID BY K&L IF CARRIER IS LATE FOR PICK UP OR DELIVERY APPOINTMENT.

3. Real-Time Tracking and Carrier Call-In Requirements

As part of our commitment to maintaining the highest standards of logistics transparency and operational efficiency, all Carrier drivers hauling loads under this Rate Confirmation Agreement are required to accept MacroPoint invitations. This will enable real-time load tracking through the use of location "breadcrumbs" sourced directly from the driver's mobile phone. Participation in this tracking process is mandatory for the duration of the haul. Failing to accept the MacroPoint invitation or any attempts to disable or interfere with the tracking technology may result in non-compliance fees, reduction in load assignments, or termination of partnership.

- K&L customers require updates every 2-4 hours.
- Carrier must notify K&L of arrival at, and departure from, the shipper(s) at time of the occurrence.
- Carrier must verify piece(s) and weight(s) with K&L upon loading.
- Carrier must notify K&L of arrival at, and departure from, the consignee at time of the occurrence.
 K&L requires that the name individual who signed off on the BOL with the date & time of signing.
- K&L also requires communication from Carrier for any reason in which Carrier will be late to a pickup or delivery.
- AT NO POINT IS CARRIER TO CALL EITHER SHIPPER OR CONSIGNEE TO CHANGE ANY APPOINTMENT TIMES.
 Any changes must be made directly by K&L. Carrier consents to a load compensation reduction of 30% of the rate if it fails to adhere to this requirement.

4. Food Grade Trailer Requirements

If a load that Carrier is handling is a food grade commodity, K&L has strict food grade trailer requirements that must be met. All food grade trailers must be clean of any debris on the floor and or side walls. Trailers must be entirely dry. All vents must be closed and properly sealed to prevent any water from entering the trailer. Trailer must be clear of glass (loose or embedded in the floors or walls) and metal shavings. Trailer must be odor free. Trailer must not have been previously used to deliver paints, tires, or hazardous chemicals. If a trailer arrives at a Shipper with any of these issues, K&L will not be responsible for ANY fees or costs incurred by Carrier, including, but not limited to, deadhead miles or truck order not used fees.

5. Air Transportation

Prior to handling air transportation cargo, Carrier must be accepted as an authorized agent with K&L. This will require an Authorized Representative Security Compliance Agreement contract to be signed prior to handling air cargo. All authorized agents representing K&L must have padlocks on ALL vehicles when making airport drops and recoveries.

6. Seals & Padlocks

All shipments which have a seal placed on the trailer must arrive at the delivery location with the same seal intact. If Carrier breaks the seal and does not contact K&L, then Carrier (or Carrier's insurer) may be responsible for the value of the entire shipment. If Carrier determines that it must break a seal, then Carrier must obtain authorization from the account manager with whom Carrier booked the load PRIOR to breaking the seal. It is Carrier's responsibility to ensure that the shipper affixes the seal on the trailer. Further, it is Carrier's responsibility to ensure that the consignee breaks the seal. All shipments, regardless of LTL, partial, or exclusive-use trailer, require a padlock at all times on the door as a theft-prevention device.

- Please call the K&L Control Tower at 630-607-1501 for all dispatch needs
- All delays, overages/shortages and/or damages must be reported immediately to K&L.
- Carrier is prohibited from and shall not re-broker; sub-broker, subcontract, assign, interline or
 warehouse any shipments hereunder without prior consent from K&L. Should Carrier breach this
 term, it agrees to indemnify and hold K&L harmless from any and all claims or causes of action,
 including payment of K&L's attorney fees.
