The property described above, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification of Tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including these on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and for his assigns.

This is to certify that the above named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation, according to the applicable regulations of the Department of Transportation.  
 \*If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is "carrier's or shipper's weight."  
 NOTE - Where the rate is dependent on values the released value of the property is hereby stated by the Shipper to be not exceeding 165 cents per pound for each distribution package or any higher value per article, whichever value results in the lowest transportation charges on date of shipment.  
 Carrier certifies that Emergency Response (ER) information is in their possession for hazardous materials identified in this shipping document and that the ER information is immediately available for use by appropriate personnel. Carrier certifies that applicable placards have been provided by AdvanSix Inc. for hazardous materials identified in this shipping document. Carrier certifies that the applicable placard are affixed to the vehicle for hazardous materials identified in this shipping document.
