ADVANCES, FEES & REIMBURSEMENTS

- **MacroPoint Tracking:** MacroPoint tracking is mandatory for this load. Drivers must accept BM2 Freight's MacroPoint tracking link and continuously track the load throughout its transit until the Proof of Delivery (POD) is received by BM2. **Non-compliance incurs a \$250 fine.**
- **Fuel Advances:** BM2 offers fuel advances via EFS to established carriers. Fuel advances are available only between 0800-1700 EST, Monday to Friday. Each advance incurs a \$25 fee, limited to 40% of the linehaul or \$1000 (whichever is less), and no more than \$500 per 24-hour period.
- **Accessorial Charges:** Additional charges must be reported at the time they occur, and receipts must be submitted to your BM2 carrier representative within 24 hours for approval. Failure to do so will result in non-reimbursement.
- **BOL Time Recording:** Ensure shippers and receivers record check-in/out times on the BOLs. Payments for detention/layover are based on these recorded times.
- **No Touch Loads:** If a no-touch load requires loading/unloading by the carrier, notify the BM2 Carrier Rep immediately before loading/unloading, or reimbursement will be declined.
- **Truck Order Not Used (TONU):** To be eligible for a TONU, the driver must be empty, verbally dispatched by BM2 Freight, and enroute to the shipper. TONU will not be granted without BM2 Freight's confirmation driver has been dispatched..

COMMUNICATION

- **Driver/Dispatch Updates:** Drivers/Dispatch must communicate when the driver is dispatched, loaded, and unloaded.
- **Immediate Issue Reporting:** Call 859-308-5100 immediately if any issues or delays occur (24/7/365).
- **BOL Instructions:** Follow BOL instructions for temperatures. Contact BM2 immediately if the BOL temperature differs from the rate confirmation. All loads must run continuously throughout the transit.
- **Discrepancies:** Report any discrepancies between the BOL and rate confirmation immediately, including temperatures, addresses, weights, or quantities.
- **Overages/Shortages/Damages:** Notify BM2 Freight immediately of any overages, shortages, and/or damages.

FREIGHT OPERATIONS

- **Double Brokering/Sub-Leasing: Double brokering or sub-leasing any shipment without written approval will result in non-payment.**
- **Exclusive Use:** Unless otherwise noted in writing, all loads are considered full truckloads. Unauthorized additional freight on the trailer may result in a rate reduction or claim.
- **Seal Requirements:** A seal is required on every load unless otherwise noted.

- Do not leave the shipper without the shipper's seal intact and recorded on the BOLS.
 - Verify doors and vents reachable from the ground are all sealed properly.
 - Only the receiver is permitted to break the seal.
 - Failure to comply could result in a claim on the freight.
- **Refrigerated Freight Guidelines:**
 - You must be able to provide a reefer download upon request.
 - All loads MUST run in CONTINUOUS mode for the entire transit of the load. Failure to comply may result in a claim.
 - Contact BM2 IMMEDIATELY if the BOL temperature differs from what is on this rate confirmation. Failure to report discrepancy may result in a claim.
- **Product Counting and Securing:** Drivers must count and secure all products during loading. If not permitted on the dock, the load must be marked "shipper load, count & seal" by the shipper. Failure to do so may result in liability for shortages or damage.
 - **Insurance Requirements:** No insurance policy exclusions for the commodity being hauled. Only drivers or vehicles listed on the insurance policy may be used for this load.
 - **California Compliance:** For loads involving California, the carrier or its agent must certify that TRU equipment complies with California regulations.
 - **Permits and Regulations:** Carriers must obtain, maintain, and pay for all necessary permits and comply with all relevant statutes, rules, and regulations.

AP PROCEDURES

- **Paperwork Submission:** Submit all paperwork and invoices to ap@bm2freight.com with your load number in the subject field.

- **QuickPay Service:** BM2 offers QuickPay via ACH to carriers with an established relationship with BM2. Contact ap@bm2freight.com to set up QuickPay, indicating "QuickPay" in the subject field. Standard payments are processed within 28 days.
