Disptach Notes:

Cheverly Plant - PEPSTMO: For all Pepsi loads, please inspect the load upon loading to ensure it is properly loaded. This is to prevent possible movement of pallets and restacking. Please use air bags, straps or load locks in order to prevent this from happening. If the load is not loaded properly, please do not leave the shipper. Take a picture of the load and trailer and send to the broker. CW Carriers will not be held responsible for any restacking or lumper fees.

Please ensure a seal is on the truck upon leaving the shipper, if you arrive at the receiver without a seal, the load will be automatically rejected. Preferably, place a pad lock on the trailer at the shipper for extra security.
