8. Vehicles provided must be in sanitary condition prior to loading, must not have signs of pests, debris, foul odors, or spills, and must be free of damage that could lead to adulteration of cargo (i.e. holes, leaks). Vehicles provided for food transportation must be particularly sanitary and free from pests, debris, foul odors, spills, or damage that could lead to adulteration of food.

9. If the shipment you are hauling is temperature controlled and the temperature on your BOL's do not match the temperature instructions on this rate confirmation, you MUST call West Michigan Transport immediately to confirm temperature BEFORE leaving the shipper.

10. Carrier is responsible for scaling out load at the nearest scale to ensure they are of legal weight. West Michigan Transport does not assume liability should the Carrier fail to scale out after loading and will not reimburse Carrier for repercussions for failing to do so.

11. All loads tendered by West Michigan are dedicated loads unless specified otherwise. Written approval must be obtained from West Michigan Transport if any other product is going to ride with the load contracted. Carrier must apply a seal to all enclosed trailer loads and may not trans-load or move product without written consent from West Michigan Transport.

12. The Carrier must transport this load under its own authority, on equipment owned or leased by it, and use employees or independent contractors under contract with it. If the Carrier "brokers" this shipment, it forfeits its right to collect payment and agrees that West Michigan Transport may pay the underlying carrier directly.

13. Carrier must promptly notify West Michigan via phone of all accidents or other exceptions which prevent Carrier from making a timely or safe delivery.

14. Carrier will use the utmost care and due diligence in the protection of cargo and comply with all applicable federal, state, and local laws and safety standards and regulations.

15. By signing this rate confirmation, you are confirming the driver will have the hours available with his hours of service without violating any applicable safety standards or regulations to pick up and deliver the load ON TIME.

16. By signing this rate confirmation, you have agreed to the terms of this dispatch confirmation in addition to the terms agreed to between West Michigan and Carrier in the Broker Carrier Agreement.

17. Carrier is responsible for taking care of any loading/unloading charges via Comchek, EFS, or credit card between the hours of 17:00 & 07:00 EST. CARRIER WILL BE FULLY REIMBURSED FOR THIS CHARGE.

18. This confirmation must be signed by Carrier and received back by our booking office for payment.

IMPORTANT BILLING INFORMATION: Please email Invoice, BOL's, Rate Confirmation, and all relevant receipts to Accounting@westmichigantransport.com no later than 48 hours after the delivery date. If paperwork is not received after requested, fines will be imposed at a rate of \$25.00 per day after two weeks up to the full amount of the Carrier Pay or invoice total. This Fee will be deducted from any monies owed to the Carrier or 3rd Party Carrier Representative. If a lumper was paid on your shipment, receipt MUST be turned in. Failure to provide lumper receipt will result in the amount being deducted from your settlement. Original BOLs may be required depending on the customer. Please inquire whether original BOLs are required in order to process payment for your load. 3% NEXT DAY ACH is offered on all loads via TriumphPay. Note: Original bills may be required for billing depending on the customer, please verify with your Broker. Please refer to "Load Number" when billing.
