CONCORD FOODS - 20175 FOOD

CONCORD FOODS - Sales order # 5301118

Tracking on Trucker Tools is Required. Driver must download Trucker tools app the day prior pick up and start tracking 3 hours before pickup. Location settings must be set on always. The driver has to stay continuously tracking before the pickup until the delivery has been made. If the driver refuses to track via phone, then the carrier is required to set up for ELD tracking. The rate will be deducted \$75 off the carrier rate if this load is not tracked. (If you accept the load knowing the driver cannot track due to the driver not on ELD or does not have phone that is not compatible to trucker tools, the rate will be deducted.)

Late Statement: This shipment has strict appointment times. If you do not arrive on time, your rate will be deducted. That deduction will also go daily without verifiable reasons.

Seal Statement: The trailer needs to be sealed by the shipper. It is the driver's responsibility to inform the broker if the shipper refuses to seal.
