Any communications regarding this load must be addressed to Axle Logistics' offices and not to its customer. All charges are included in this Rate Confirmation. No additional charges or fees will be paid.

Axle Logistics Detention Rate: \$30.00 an hour after 2 hours MAX 5 hours to be paid. Detention will not be paid if late/missed appointment occurs. Axle Logistics will not pay detention or layover fees for weather related delays.

To the extent a customer maintains the right to and does impose late fees for missed/late pickups/deliveries, such fines are the responsibility of Carrier. Carrier agrees to the attached requirements from the shipper, if any. If there is any discrepancy between the bill of lading and/or any shipping instructions and the cargo actually tendered (especially for temperature controlled cargo), Carrier shall instruct its driver to contact Axle's offices for further instruction from the shipper. Notwithstanding the foregoing, Carrier agrees that it has the ultimate responsibility to safely and securely load all freight in accordance with all applicable law.

By accepting this Rate Confirmation, Carrier warrants and agrees that it will follow all rules and regulations concerning its choice of driver(s), including assigning a driver who can perform the transportation services without violating the Hours of Service or Drivers Regulations contained in 49 CFR 395 applicable at the time of acceptance of the shipment. Any property damage or bodily injury that occurs during the course of transit is the exclusive responsibility of Carrier, who is an independent contractor and not an agent or affiliate of Axle Logistics. Freight must not be trans-loaded without prior written approval or payment may be forfeited by Carrier. This Rate Confirmation incorporates the terms and conditions of the Broker-Carrier Agreement signed by Axle Logistics and Carrier or, if the Broker-Carrier Agreement has not been signed by Axle Logistics and Carrier, then the terms and conditions of Axle Logistics' standard Broker-Carrier Agreement that may be found by registering at https://gohighway.com/go/axle-logistics. In the event of a conflict between this Rate Confirmation and any Broker-Carrier Agreement between Axle Logistics and Carrier, this Rate Confirmation shall govern as to the provisions in conflict. Carrier understands and agrees that, for shipments sealed at origin or after each additional pickup/drop, the lack of a seal or any seal irregularities noted at destination shall be sufficient to render the shipment unsafe and a total loss, without the need for inspection, at the discretion of the shipper or consignee. Carrier acknowledges that any routing instructions from the shipper are provided for convenience only and that Carrier is solely responsible for choosing the route. Carrier has exclusive responsibility for all cargo tendered hereunder from the time of loading until delivery to the consignee evidenced by a signed delivery receipt.
