Special Instructions

-----All Cascades Facilities-----
All drivers must have/wear proper PPE while at any Cascades facilities (closed toe shoes, reflective vest, and eye protections). NO SMOKING ON SITE or drivers will be expelled. All Cascades carriers must have straps or load bars when picking up or delivering a load from a supplier at a Cascades facilities. All loads must be secured, if necessary, to prevent shifting during transit.

-----Checklist After Booking-----
FOOD GRADE PAPER PRODUCT OR PACKAGING MATERIAL
-- 53ft dry van only. Swing doors, no roll up doors. No liftgates. NO REEFERS.
-- Trailer must be clean, dry (no moisture or quick dry) and odorless. No holes, no light coming through, no debris or cracks in floor or loose rivets. Trailer in good condition or it will be rejected.
-- Walmart does not accept Amazon trailers. Carriers rejected by Walmart for having an Amazon trailer are responsible for the crossdock fee and late/reschedule fee.
-- Finished paper requires 17 year or newer trailer on the manufacturing plate and raw material requires 9 years or newer trailer based on the manufacturing plate *NOT THE MODEL YEAR*
-- Some facilities accept the trailer registration if the plate is not legible. *PICKUPS OR DELIVERIES AT THE MILL 1200 FOREST ST. EAU CLAIRE, WI - MUST HAVE LEGIBLE MANUFACTURING PLATE*
-- No leased or rental trucks. DOT must match the company booked on the rate confirmation. If the team finds that the truck is leased on, we might have to recover the load depending on the facility. Most facilities do not allow leased trucks due to insurance restrictions.
-- Trucker Tools or FourKites CarrierLink tracking is required and drivers who refuse the tracking could be fined by customer.
*Pickup and delivery times are strict unless otherwise stated by our team. PLEASE DO NOT ATTEMPT TO ARRIVE EARLY TO ANY PICKUP OR DELIVERY APPOINTMENTS WITHOUT CONSULTING US.

-----Requirements Before Loading or Arriving at Shipper-----
-- We will send the driver a text at least one day before the load or after sending the rate confirmation if same day.
-- The driver must send a picture of the trailer manufacturing plate to confirm the year and the side of the truck to confirm the MC#/DOT# before we can send the pickup number.
-- Driver must call for dispatch two hours before their scheduled pickup or by 10am the day of the load - whichever is early - to get dispatched.
-- Loads that are not dispatched on time without adequate reasoning risk the possibility of being pulled by the customer.
-- Pickups accruing 09:00 EST or earlier need to be verified the day prior to loading or risk the possibility of being pulled by the customer.
-- Customer requires that pickup numbers be sent only after we have received the pictures from the driver and the driver is empty with a confirmed ETA to the shipper.

-----Requirements During and After Loading-----
-- Driver is responsible for checking the BOLS to ensure the PO# and delivery matches.
-- Driver is responsible for ensuring the load is secured properly. Load locks or straps and a seal. Even if the shipper does not require these, please do so to avoid any issues with the receiver.
-- Delivery is strict by appointment. Do not go in early unless given permission by the team.
-- Must have BOL signed by shipper/receiver with stamped in/out date and time for detention.
-- Each facility has different detention policies but if we run into any issues the customer's policy starts after 4 hours.
-- To get detention approved by the shipper/receiver, MegaCorp needs to submit a formal request for pre-detention 1.5 hours after the scheduled appointment time and a formal request with the total detention amount requested by 12:00 EST the next business day. This includes the signed BOL.
-- To ensure the requests are made on time, the broker team needs to be made aware of the drivers wait time 1.5 hours after the appointment time and the carrier needs to request detention by 10:00 EST next business day.
-- THE CUSTOMER MAY REFUSE DETENTION TO CARRIERS WHO REFUSE TO TRACK USING TRUCKER TOOLS OR FOURKITES CARRIER LINK.

-----Breakdowns, Restacks, Rejected Trailer, etc.-----
-- Driver is responsible for ensuring that the load is secured properly. If the product shifts or tips and requires any reworking, the carrier is responsible for the fee and any subsequent late delivery fines.
-- Any breakdown resulting in a missed delivery will need a repair receipt or proof of breakdown within 24 hours of the truck/trailer being fixed to appeal any penalties resulting from the breakdown.
-- If a trailer is refused by a receiver due to the trailer restrictions, that carrier is responsible for any additional charges to ensure the product is delivered within the time allotted by the receiver.

-----Delivery Requirements PLEASE READ-----
-- Deliveries are MANDATORY to arrive on the scheduled date and time shown on the Rate Confirmation provided by the broker - unless approval is given by the team.
-- Do not call the receiver to change delivery. If you arrive to the facility a day early to sleep on site, please do not allow them to take the load early. The receiver's corporate offices will fine us.
-- Any EARLY or LATE deliveries may be subject to a 3%-5% fine of the total commodity value (usually between \$500-\$1000 but could be higher) unless approval is given by the broker team. Fines are issued by the receiver's corporate transportation managers.
**DELIVERIES TO DELHAIZE/FOOD LION/STOP & SHOP - *Driver needs reflective vest and closed toe shoes or \$450 fine from receiver*

**** DELIVERIES TO ESSENDANT, STAPLES, AND SYSCO HAVE 30 MINUTES GRACE PERIOD EARLY OR LATE Anything outside of this window will be fined.**

**** WALMART DOES NOT GUARANTEE ANY GRACE PERIOD. IF YOU ARE RUNNING BEHIND, PLEASE CALL US SO WE CAN ADDRESS IT WITH THE SHIFT MANAGER ****

**** DELIVERIES OF WAGRAM TISSUE AND EAU CLAIRE RAW MATERIAL HAVE NO GRACE PERIOD ****

-- Please ensure that the delivery POD is stamped with an in and out time. If the POD are not marked and we are unable to confirm the times with the receiver, the load will be paid minus the maximum fine possible for the receiver. After we can confirm whether there will be a fine (usually 60-90 days) we will release the amount still owed.

-- If a load is delivered early or late and it was agreed to pay a "layover" or "guaranteed delivery fee" due to a later delivery time or extra transit day, then it will result in a loss of the layover or guaranteed delivery in addition to any early delivery fees.

-----POD and Lumpers-----

-- All POD must be submitted to the Team Zenk email within 72 hours of delivery to not delay billing.

-- *Walmart* POD must contain 4 pages - "Proof of Delivery/Delivery Confirmation Report" / "Trailer Control Record" / and two pages from the shipper. WALMART NO LONGER SENDS PAPERWORK AFTER THE DRIVER LEAVES THE FACILITY.

-- Money codes can be issued 24/7 for lumpers (or any advances) at 859-982-0345

-- Whether paid for with money code, or paid by carrier to get reimbursed, POD AND LUMPER RECEIPT MUST BE SUBMITTED TO TEAM ZENK WITHIN 24 HOURS OF DELIVERY. Otherwise, we may be rejected for reimbursement by the receivers.

*****Reminders that have been overlooked by other partners*****

* Loads that deliver EARLY are subject to fines from the customer (3%-5% commodity value could be \$600-\$1000 or more) just like late deliveries.

**We only fine carriers if we are fined by the receiver. We repeat this multiple times to try and protect you! WE DON'T LIKE FINING FOR EARLY DELIVERY AND THAT MONEY DOESN'T GO TO US BUT TO THE RECEIVER, however we will not pay any fines for carriers disregarding our warnings.

** Fines are assessed by the receiver and customer and could potentially take 3 months or more to be resolved.

* All trailer manufacture dates must be 17 years or newer for finished paper product (tissue) and 9 years or newer for any other product

* Loads picking up or delivering to the Mill 1200 Forest St. Eau Claire, WI require that the manufacturing plate on the trailer is legible.

*Walmart requires 4 Pages of POD to pay our loads. (Walmart will not provide paperwork after leaving.)

1. "Delivery Confirmation Report" also called "Proof of Delivery" – from Walmart

- This shows the PO delivered and any OSD or rejections.

2. "Trailer Control Record" – from Walmart

- This shows all the appointment time information and unloading times.

- Walmart in Arcadia, FL is the only location not using this page.

3. Page 1 with "Cascades" at the top – from the shipper

- Shows the pickup number and delivery information.

4. Page 2 with "Cascades" at the top – from the shipper

- Shows product codes on the load and shipper signatures.

**The Walmart sticker signed by the driver is not a replacement for any of these pages.
