Any communications regarding this load must be addressed to Axle Logistics' offices and not to its customer.

All charges are included in this Rate Confirmation. No additional charges or fees will be paid.

Detention will be paid ONLY if Axle Logistics is notified ONE HOUR PRIOR to detention occurring and times are clearly marked on BOL's. Axle Logistics Detention Rate: \$30.00 an hour after 2 hours MAX 5 hours to be paid. Detention will not be paid if late/missed appointment occurs. Axle Logistics will not pay detention or layover fees for weather related delays.

To the extent a customer maintains the right to and does impose late fees for missed/late pickups/deliveries, such fines are the responsibility of Carrier. Carrier agrees to the attached requirements from the shipper, if any. If there is any discrepancy between the bill of lading and/or any shipping instructions and the cargo actually tendered (especially for temperature controlled cargo), Carrier shall instruct its driver to contact Axle's offices for further instruction from the shipper. Notwithstanding the foregoing, Carrier agrees that it has the ultimate responsibility to safely and securely load all freight in accordance with all applicable law.

By accepting this Rate Confirmation, Carrier warrants and agrees that it will follow all rules and regulations concerning its choice of driver(s), including assigning a driver who can perform the transportation services without violating the Hours of Service or Drivers Regulations contained in 49 CFR 395 applicable at the time of acceptance of the shipment. Any property damage or bodily injury that occurs during the course of transit is the exclusive responsibility of Carrier, who is an independent contractor and not an agent or affiliate of Axle Logistics. Freight must not be trans-loaded without prior written approval or payment may be forfeited by Carrier. This Rate Confirmation incorporates the terms and conditions of the Broker-Carrier Agreement signed by Axle Logistics and Carrier or, if the Broker-Carrier Agreement has not been signed by Axle Logistics and Carrier, then the terms and conditions of Axle Logistics' standard Broker-Carrier Agreement that may be found by registering at <https://gohighway.com/go/axle-logistics>. In the event of a conflict between this Rate Confirmation and any Broker-Carrier Agreement between Axle Logistics and Carrier, this Rate Confirmation shall govern as to the provisions in conflict. Carrier understands and agrees that, for shipments sealed at origin or after each additional pickup/drop, the lack of a seal or any seal irregularities noted at destination shall be sufficient to render the shipment unsafe and a total loss, without the need for inspection, at the discretion of the shipper or consignee. **Instructions**

Pepsi Bottling - Nashville Plant SP\_1K26 - PEPSCOOH: ===== DISPATCH COMMENT =====

\*Per the Customer's instructions:

Customer requires load to be strapped and secured. Carrier is exclusively responsible for securing the cargo. Axle Logistics is not responsible for and will not compensate for shifted product or restacking/reworking fees, charges, or penalties.

Carrier is responsible to ensure driver checks the provided load number and receiving address paperwork match the rate confirmation; if anything differs please reach out to an Axle Logistics representative immediately.

The seal must only be broken by a PepsiCo approved employee from either the shipper or the receiver. If the seal is broken, it can result in a full claim of the product and destruction at the cost of the carrier.

\*\*If the seal is broken by law enforcement, it must be documented and signed on the BOL and the officer should provide a new seal and provide the appropriate paperwork and authorization.\*\*

If all or part of a shipment is rejected by the receiver, carrier driver must wait on site until given instruction from an Axle Logistics representative. If the seal has already been broken by the receiver and the driver is asked to leave the receiving facility, the driver must have the trailer resealed by a PepsiCo approved employee and notify an Axle Logistics representative in writing before they exit. Failure to have the trailer resealed in this event could result in a full claim of the load at the responsibility of the carrier.

To qualify for detention pay, the carrier driver is responsible to keep track of in and out time at shipper and/or receiver and must utilize tracking for the full duration of the shipment.

Carrier Driver must be checked in by an employee at the shipper by or before the appointment time on the rate confirmation (if one applies). Drivers waiting in line to check-in will not be counted on time for pick up, only from the time they arrive to the gate.
