# Rate Confirmation Addendum for Seal Transportation, Inc.

- This document may not be used as a substitute for an invoice and must accompany your invoice.
- If there are any requested changes or objections to the terms stated, they must be resolved prior to acceptance of the shipment.
- Rate shown includes any applicable charges including fuel surcharges, pickup and delivery, loading and unloading, out of route, detention, storage, and/or all arbitrary charges etc. Deviation from these rates must be approved by both parties in writing or confirmed electronically.
- Any OS&D must be reported to Seal before leaving the shipper/receiver or a \$50
  fine will be deducted from the carrier settlement. Carrier is responsible for any
  rejected/damaged product that is disposed of without written permission from Seal
  Transportation.
- Authorized lumper fees will be reimbursed if we are notified at time of delivery and a
  valid lumper receipt is submitted with your invoice. If we issue an EFS check to pay for a
  lumper, your driver must have a blank check and a \$15 processing fee will be
  assessed. Notification of all accessorial charges must occur by email within 24 hours of
  occurrence, and all reimbursements are pending verification. Motor carrier is
  responsible for fraudulent lumper fees requested by their driver.
- Check calls are required daily by 9 AM CST, and at the time of pickup and delivery.
- If pickup or delivery times are missed without prior notification, any late charges assessed by the shipper or receiver will be deducted from the carrier settlement.
- When cargo seals are applied by shipper for food-grade products the seal number must match shipper's notes on BOL and intact upon arrival.
- If any food-grade product is refused or considered damaged by shipper due to a broken or damaged seal or if the pallet integrity has been compromised, carrier is responsible for any related damages; offset by any salvage value applied by Shipper.
- Carrier waives any right to the salvage value for refused proprietary product, and product must be disposed at the carrier's expense when allowed by Shipper. A "Certificate of Destruction" must be signed by the carrier and returned to Seal Transportation.
- Carrier must arrive on time for appointed loads or within the PU/DEL window and notify Seal within 1.5 hours after appointment/arrival time time of any delays to be considered for detention pay. PU/DEL location must note the arrive and departure times on the BOL. Please be courteous if the location refuses to do this and notify your Seal Transportation Capacity Representative once leaving the facility.
- All refrigerated loads must have the reefer unit set to run on continuous at the specified temperature unless otherwise stated.
- Driver is responsible for all load counts. If a driver is not allowed granted access to the loading/unloading docks and not allowed to sign the BOL "shipper load and count", they must call Seal immediately.

- Driver must record the pulp temperature on any applicable refrigerated/frozen food product before leaving shipper and notify Seal of any discrepancies between the required/actual temperatures.
- Any directions given to the carrier are for informational purposes only.
- Carrier acknowledges that they are solely responsible for compliance with all applicable HOS regulations, as well as all other FMCSA regulations and providing the required equipment for the shipment.
- Shipments are tendered as full truckloads unless otherwise noted. No drivers are authorized to break seals under any circumstances. Seals must only be broken by the consignee's personnel. Loads delivered without the seals intact will result in fines and potential claims.
- Carriers are responsible for all overweight fines and tendered weights and pallet counts are provided by our shippers and subject to change prior to loading.
- Carrier agrees this shipment will not be re-brokered or said carrier forfeits the right to
  collect charges and agrees we, may pay charges directly to the underlying carrier to
  collect charges and agrees.
- We reserve the right to offset carrier settlements for any pending freight claims.
- Carrier representative submission of the Rate Confirmation with acceptance and signature indicates approval of all rates and terms listed on rate confirmation and this Rate Confirmation Addendum.

## Receiving Payment — TriumphPay!

Please note that factoring with Triumph Business Capital is not a requirement for payment.

Get paid in 4 simple steps:

- 1. Book and deliver your load as planned.
- 2. Submit the invoice, POD, rate confirmation, and any lumper receipts to accounting@sealtrans.com.
- 3. Once your invoice is processed, payment will be scheduled in TriumphPay.
- 4. On the term date, TriumphPay will automatically deposit funds into your bank account on behalf of Seal Transportation.

#### How does it work?

Seal Transportation uses TriumphPay, a secure payment platform used nationwide to pay carriers and their factoring companies. Payments are made at 30-day terms by ACH deposit at no charge, with quick pay options available.

## To get started, please set up your free account here: https://secure.triumphpay.com/

Once your first payment from Seal Transportation has been scheduled, you will receive an email prompt by TriumphPay to 'Connect' with Seal Transportation in the portal or mobile app. There, you will select your default payment method. Please note that this step is only required once.

## **Interested in Quick Pay?**

Next Day ACH payments are available for a 2.5% fee, which carriers can initiate through the TriumphPay portal. When submitting your invoice to Seal, please indicate in the subject line that you would prefer Quick Pay so we can review and process your payment accordingly.

Please give us a call or email us with any questions you might have.
