This agreement is subject to the terms of the BROKER-CARRIER AGREEMENT signed by the carrier and Elite Starz Inc., dba Reliable Choice Logistics (here forward known as RCL). This agreement constitutes an addendum to the BROKER-CARRIER AGREEMENT. Said This rate quote is inclusive of all charges unless Carrier make oral or written objection its terms within twenty-four (24) hours after receipt. If RCL does not receive said objections, it will be assumed that Carrier agreed to these terms.

This confirmation is an agreement between RCL (Reliable Choice Logistics) and Carrier to haul the below mentioned load at the rate also mentioned and is not a dispatch. If load is changed or canceled by RCL's customer, no 'Truck order not used' (TONU) will be paid by RCL unless the carrier has been dispatched. Carrier's representatives are required to call RCL for dispatch, which includes pickup number, shipper and receiver's name and address, and/or direction information.

The safe and proper operation of carrier and its driver supersedes any request demand, preference, instruction, or information provided by RCL or its customers with respect to any shipment. If any employee of RCL or its customers requests, demands or instructs Carrier to take any action that violates any law, whether intentional or inadvertent, Carrier shall refuse to transport that load and immediately contact RCL before taking any further action. Carrier agrees that when it chooses to transport a load, it does so on its own volition, exercising its own discretion without coercion or undue influence by any other individual or entity.

Double brokering is prohibited. Lumper can only be paid by cash or Comcheck. Carrier must call RCL to approve the lumper fees at shipper or receiver. Driver must call RCL for all damages, shortages and overages at the shipper or receiver. All accessorial must be communicated prior to services being rendered, be submitted to RCL within 24 hours of delivery, should appear on a revised rate confirmation, and must be documented with either the consignee's signature on the bills or receipts proving additional charges. All accessorial charges must be preapproved. Unauthorized charges may not be paid. Not all detention requests will be honored. RCL must be notified 30 minutes before Carrier is requesting detention reimbursement. Carrier must also get the agreed detention amount in writing. Motor carrier must notify RCL employee immediately after loading if there are any differences between the physical quantity and the actual BOL. Carrier hauling a RCL shipment is required to make a check call to RCL once arrived at the shipper and after loading is complete. Same at receiver, once arrived and after unloading. If transit time of load is more than 24 hours, driver or dispatcher will make a check call to RCL between 8-9 a.m. EST about the load location or ETA. Drivers are responsible for verifying legal weight of shipments and axled properly. All Drivers loaded overweight must return to shipper and provide scale ticket so weight can be adjusted accordingly. NO extra fees will be honored by RCL. Fines/penalties for late or missed appointments may be deducted from carrier's payment.

Temperature Controlled Shipments: All refrigerated trailers must be cleaned and pre-cooled prior to loading, Products must be pulped prior to loading and MUST NOT get loaded if the pulp temperatures are outside the proper loading and transport range. All refrigerated loads must be shipped on 'continuous temperature run' at the temperature noted. Failure to run at the temperature notated and at "continuous run," unless otherwise instructed in writing by RCL, could result in carrier being held liable for any damages/contamination claims.

This confirmation is subject to and incorporates by reference the terms and conditions of the Reliable Choice Logistics (RCL) Broker-Carrier agreement. Carrier or its agent certifies that any TRU Equipment furnished will be in compliance within use requirements of California's TRU regulations.
