CBT Logistics Group Over The Road Scale Weight Information Document

In an effort to avoid all "overweight" and "over axle weight" shipments, it is the recommendation of CBT Logistics Group that OTR carriers being loaded at our docks visit a local scale before leaving for your ultimate destination. Below are the two closest scales and their respective contact information. If your load is found to be overweight or over axle weight at a local scale, please call us at 757-558-2220 to inform us that you are on your way back for your load to be re-worked. If you do not scale at a local facility, CBT Logistics Group reserves the right to refuse any and all attempts at charge backs or attempts to recoup monies for overweight fines or tickets. **PLEASE SPEAK UP WHILE YOU ARE HERE IF YOU ARE**

UNCOMFORTABLE WITH YOUR LOAD. DO NOT WAIT UNTIL YOU ARE 100 MILES DOWN THE ROAD.
