Carrier agrees, and authorizes its factoring company, if any, to reimburse Echo for all amounts paid on this Load if it is transported by any carrier other than the Carrier identified herein. Carrier waives

- all rights to payment from the shipper and/or consignee.
- 4. Carrier further confirms that its cargo insurance covers the Item(s) listed below without exclusion.
- 5. Carrier confirms that the driver assigned to this load is licensed, qualified and has available hours of service sufficient to pick up, transport and deliver this Load as required hereunder. Driver is responsible for an accurate count of crates, pallets/skids, and pieces.
- 6. Trailer seals must be applied, with the seal number noted on the bill of lading, prior to departure from the shipper. A seal may not be broken with prior written approval from Echo management. Failure to deliver at the designated consignee with the proper seal intact will result in a claim for full value of the Load.
