Custom Terms and Conditions

Driver is responsible for ensuring that this shipment is properly secured for transport prior to leaving the shipper. Motor carrier must be in compliance with USDOT safety regulations and FDA Food Safety Modernization Act requirements.

Carrier must notify Kenco 30 minutes prior to entering detention at either the shipper or receiver. In and out times must be clearly marked on the BOL by the shipper or receiver. Failure to notify or to clearly note the in and out times on the BOL will result in refusal of detention claims.

Carriers are required to provide tracking for this load through EDI, MacroPoint or manually into the Kenco carrier portal. Failure to successfully monitor the shipment through automation will result in a 10% reduction in the linehaul rate (with a maximum reduction of \$500.) Execution of the load constitutes understanding of this requirement and potential rate adjustment.

Carrier agrees to be liable for any delay costs, late fees, chargebacks, or associated fees that have been passed through from the shipper or consignee and agrees that Kenco Transportation Management, LLC may offset such costs, fees, or charges from any amounts owed to the Carrier. By accepting the load or signing this rate confirmation, Carrier is agreeing to the terms and conditions stated herein.
