: Driver must have the U3# that we will give you when we set up your appointment. They won't be loaded without this info. We also have a scale onsite. If a driver arrives late they will be worked in as we are able but detention won't be granted. These loads have to be converted from pallets to slipsheets which can cause them to have a lengthier loading time than others, if the drivers are on time they will be approved for detention, but please ensure that you schedule to allow enough time for loading...sometimes up to 4 hours.
