TERMS AND CONDITIONS

1. All drivers **MUST** call for dispatch. We require a check call for all drivers between 8 am and 10 pm Eastern or a fee may be imposed.
2. All shipments require tracking via Turvo Driver App, unless otherwise stated. Failure to comply may result in a fine up to \$250.00.
3. Late delivery fee of \$250.00 per day may be imposed. Some of our customers issue hourly late fees (which will be disclosed in the notes and/or directions section of your rate confirmation) that may also result in a rate deduction.
4. Detention is paid on a per load basis and must be confirmed with your broker. Requests must be submitted to the broker with proper documentation (POD with IN/OUT Times) within 48 hours of delivery to be eligible.

5. Driver must have a minimum of 2 load locks to secure the load. It is the driver's responsibility to ensure the load is safe, secure, and legal for transport.
6. Carrier will inspect and verify the count of the goods at the first handling point and immediately report any overage, shortage, or damages to West Michigan Transport by phone. If no notice has been provided, Carrier will be responsible for shortages or damages.
7. If you are hauling a load that requires driver assistance, you will be compensated as well as held liable for any/all damages that are incurred directly from loading or unloading the product.
8. Vehicles provided must be in sanitary condition prior to loading, must not have signs of pests, debris, foul odors, or spills, and must be free of damage that could lead to adulteration of cargo (i.e. holes, leaks). Vehicles provided for food transportation must be particularly sanitary and free from pests, debris, foul odors, spills, or damage that could lead to adulteration of food.
9. If the shipment you are hauling is temperature controlled and the temperature on your BOL's do not match the temperature instructions on this rate confirmation, you **MUST** call West Michigan Transport immediately to confirm temperature **BEFORE** leaving the shipper.
10. Carrier is responsible for scaling out load at the nearest scale to ensure they are of legal weight. West Michigan Transport does not assume liability should the Carrier fail to scale out after loading and will not reimburse Carrier for repercussions for failing to do so.
11. All loads tendered by West Michigan are dedicated loads unless specified otherwise. Written approval must be obtained from West Michigan Transport if any other product is going to ride with the load contracted. Carrier must apply a seal to all enclosed trailer loads and may not trans-load or move product without written consent from West Michigan Transport.
12. The Carrier must transport this load under its own authority, on equipment owned or leased by it, and use employees or independent contractors under contract with it. If the Carrier "brokers" this shipment, it forfeits its right to collect payment and agrees that West Michigan Transport may pay the underlying carrier directly.
13. Carrier must promptly notify West Michigan via phone of all accidents or other exceptions which prevent Carrier from making a timely or safe delivery.
14. Carrier will use the utmost care and due diligence in the protection of cargo and comply with all applicable federal, state, and local laws and safety standards and regulations.
15. By signing this rate confirmation, you are confirming the driver will have the hours available with his hours of service without violating any applicable safety standards or regulations to pick up and deliver the load **ON TIME**.
16. By signing this rate confirmation, you have agreed to the terms of this dispatch confirmation in addition to the terms agreed to between West Michigan and Carrier in the Broker Carrier Agreement.
17. Carrier is responsible for taking care of any loading/unloading charges via Comcheck, EFS, or credit card between the hours of 17:00 & 07:00 EST. **CARRIER WILL BE FULLY REIMBURSED FOR THIS CHARGE.**
18. This confirmation must be signed by Carrier and received back by our booking office for payment.
