Turvo driver app

Driver instructions

The Turvo Driver app makes it simple to sign-up, view assigned shipments, and get on the road.

Just download the app, enter your phone number, and receive a one-time verification code for a password-less sign in.

How to get started with Turvo driver:

- 1 You'll receive an SMS message from Turvo with basic shipment information: who shared the shipment with you, and the origin and destination of the shipment.
- 2 Click the URL to open the App Store or Google Play Store and download the Turvo Driver app.

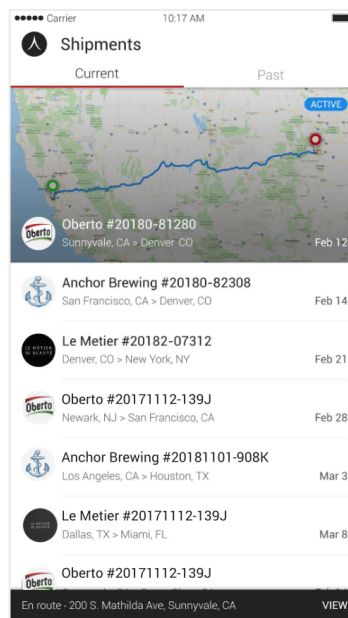

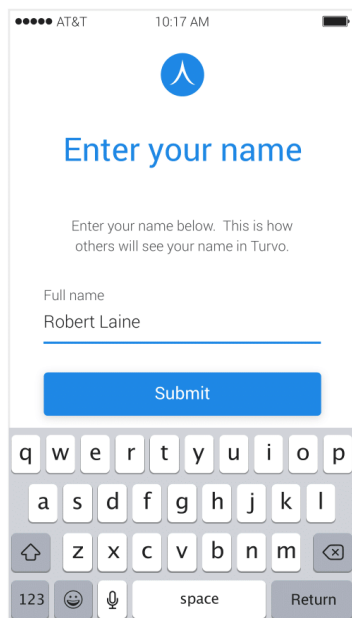

(If you already have the app installed and you've signed in, clicking the link will open Turvo Driver and bring you straight to the shared shipment.)

- 3 Open the app and enter your mobile phone number
- 4 You will receive a 6-digit verification code via SMS.
- 5 Return to the app and enter the code here.
- 6 If you have an existing Turvo account, you will be signed in directly

7 Enter your full name if prompted

8 Get started with your shipments.

⚠ Remember: this will be your name on record for Turvo so make sure you enter it correctly!

✓ For the best Turvo driver app experience, we recommend you set your location services to "Always" and allow push notifications.

Location services enable tracking as you complete the shipment and keep everyone on the same page about where the shipment is. Push notifications help make sure you don't miss any important shipment updates or messages.

If you previously did not allow notifications or location services for Turvo driver, you can change this in your phone's Settings.
