Carrier is required to call or email RDT Solutions when loaded and emptied. Carrier is required to notify RDT Solutions by phone or email prior to entering detention. Detention begins two hours after the driver is onsite for pick up or delivery and is a negotiated rate between Carrier and Broker only. Time stamped and signed BOL required for detention pay within 48 hours of delivery. Carriers are not permitted to negotiate rates with shippers, receivers, and customers. Double brokering to another carrier at any point of the load will void this agreement and result in non-payment of said load. Missed pickup and/or delivery date(s)/times will result in rate reduction up to 20% per day unless the date(s)/times are agreed upon with the Broker prior. Carrier may not break any seal without written approval from the Broker. Accurate tracking updates must be provided daily. Proof of delivery must be signed and dated by the consignee. Carrier agrees to the terms and conditions of the RDT Solutions Broker/Carrier Agreement between RDT Solutions and the Motor Carrier even in the event the carrier does not sign this Carrier Rate and Load Confirmation, but provides the transportation as described herein. RDT Solution's Load Number must be written on all invoices. Please email all invoices, signed Rate and Load Confirmations, and proof of deliveries to tlinvoices@rdtsolutions.us.
