Load and Rate Confirmation Agreement

Synchronized Supply Chain Solutions 209 Desoto Avenue Morristown, TN 37813

FMCSA Regulations

Except as expressly waived in the Broker-Carrier Agreement, Carrier and its drivers shall adhere to all applicable FMCSA regulations, including drivers' hours-of-service limits, the commercial driver's license (cdl) regulations, and the prohibiting coercion of commercial motor vehicle drivers (coercion rule). Carrier agrees that all applicable FMCSA regulations shall supersede any conflicting service instructions stated in this tender or any communications made by Synchronized Supply Chain Solution's employees.

Safe Driving

Synchronized Supply Chain Solutions does not condone coercion of any driver to operate a commercial motor vehicle, when the driver reports that he/she would not be able to drive safely due to illness, fatigue, equipment inspection, repair and maintenance regulations, intermodal roadability regulations, load securement regulations, or due to not having hours available under applicable regulations.

This Rate Confirmation is deemed accepted by Carrier unless it is rejected within 48 hours of receipt. Carrier acknowledges that Double brokering without prior written authorization from Synchronized Supply Chain Solutions will result in forfeit of payment by Synchronized Supply Chain Solutions to Carrier.

Carrier agrees to contact Synchronized Supply Chain Solutions upon discovery of any overages, shortages, or damaged product to report discrepancy before leaving the customer's premises. All charges are included in this Rate Confirmation. Carrier acknowledges that no additional charges or fees will be paid.

Quick Pay Option: All required documents must be submitted to quickpay@synchronized-services.com and invoices will be paid via ACH within two business days after the receipt of the complete and legible paperwork. Carriers who utilize Synchronized Supply Chain Solutions' Quick Pay option must be enrolled in Synchronized Supply Chain Solutions' Quick Pay Program. There will be a 4% fee for all Quick Pays given. If Carrier requires payment by check, a \$35 check fee will be assessed against Carrier.

All payment status requests and verifications must be emailed to apinquiry@synchronized-services.com

Tracking Fee

Carrier agrees that all trucks utilized to provide services under this Rate Confirmation will be equipped with a GPS tracking device (whether in the truck itself or otherwise provided to the driver) ("GPS Device"), and that Carrier will cause such GPS Device to transmit the location of the truck to Synchronized Supply Chain Solutions when Carrier is providing services under this Rate Confirmation.

Carrier acknowledges that the freight charge rate agreed to in this Rate Confirmation includes a \$150.00 fee in consideration for Carrier's compliance with its GPS Device obligation, whether by failing to have a GPS Device or where the GPS fails to transmit the truck location, then Carrier agrees it is not entitled to the Tracking Fee and further agrees that Synchronized Supply Chain Solutions may reduce the freight rate agreed to in this Rate Confirmation by 150.00, which will constitute the new agreed to freight charge.

Late Fee

If Carrier is late for a scheduled pick-up or delivery appointment, Carrier agrees that the freight rate for that shipment shall be reduced by 5%.
