This Rate is contingent upon successful and on-time completion of all load terms as orally stipulated or written on this addendum and rate may be subject to reduction if carrier fails to complete and shipment terms and conditions. Rate may be reduced if load picks or delivers after originally scheduled time and date Carrier must notify LinQ of delay with a minimum of 4 hours prior to pick up or deliver time to prevent possible rate reduction.
4. Accessorial charges (including but not limited to labor, detention, and/or layover charges) must be authorized and approved prior to or at time of occurrence. Standard free time is 2 hours at origin and destination before detention will incur, unless otherwise agreed upon. LinQ will not provide any reimbursement of any non, prior-approved accessorial charges. Carrier shall ensure the bill of lading is notated either when handling this required or when detention occurs, and that a lumper receipt is provided when a lumper is hired. LinQ must be notified 2 hours after appt time when going into detention.
5. All overages, shortages, and damages must be reported to LinQ immediately, at time of occurrence and noted on Bill of Lading.
6. Carrier represents and agrees that only tractors and trailers covered by the valid existing insurance for both Liability and Cargo risks will be utilized to transport this load.
