SPECIAL INSTRUCTIONS:

*Driver will be required to scale the load prior to being offloaded in either Winchester, VA or Fernley, NV depending upon delivery location. A scale is provided at a Trex facility in both cities free of charge. Once the driver offloads, then they will be required to scale out again to provide empty weight ticket. Please make sure all drivers have the PO number on the BOL and weight tickets. This is crucial in determining the volume of plastic and a requirement for billing purposes. The scale tickets must be provided at the time of invoicing to be paid for the load along with the bill of lading. Failure to do so could result in non-payment of the load. For combo loads or Triple loads, the drivers need to scale at each stop if available or they could go over their 2 hour allotted time. Thank you, .

*To be in compliance, it is mandatory that tracking is started two hours prior to arrival at the pick-up location. For this reason, pick-up numbers will be provided once the ALC tracking app has been downloaded and activated.
