# APPENDIX A SANITARY TRANSPORTATION ACT APRIL 2017 & SEALED LOADS

CARRIER represents and warrants that all transportation and handling of food or food related products shall be conducted in accordance with the law and shall be performed under conditions that will protect against physical, chemical and microbial contamination, as well as against deterioration of the food. CARRIER shall fully comply with all state, federal and local laws and regulations regarding handling of food product including, but not limited, the Sanitary Food Transportation Act of 2017 and those requirements imposed by the FDA and the U.S. Department of Agriculture ("USDA").

In addition, CARRIER shall comply with such government guidelines regarding transportation and/or handling of food products as are applicable to its operations. Such guidance documents include, but are not limited to, the FDA's "Bulk Over-the-Road Food Tanker Transport Safety and Security Guidelines," and "Food Producers, Processors, and Transporters: Food Security Preventive Measures Guidance," and compliance with the USDA's "Guide for Security Practices in Transporting Agricultural and Food Commodities," and its "FSIS Safety and Security Guidelines for the Transportation and Distribution of Meat, Poultry, and Egg Products" guide.

Companies are taking extra precautions regarding contamination of their products-beginning with raw materials and food products that are transported. If upon delivery by Carrier, the trailer seal is broken without the receiver's authorization, they may consider the product possibly damaged and/or tampered with. Their Quality Control (QC) and/or Quality Assurance (QA) people may be called and the shipment(s) may be refused for non-compliance "TRUCK DRIVER SEAL RESPONSIBILITY" outlined below.

CARRIER REPRESENTS AND WARRANTS THAT IT WILL TELL ITS DRIVERS NOT TO BREAK ANY SEAL AT ANY TIME AND THAT THE RECEIVER IS THE ONLY PERSON ALLOWED TO BREAK SEALS. IF THERE IS SOMEONE REQUESTING A DRIVER TO BREAK A SEAL OR ANYONE ELSE BREAKS THE SEAL-THE TRUCK DRIVER AND CARRIER ARE TO CONTACT PRODUCTIVE TRANSPORTATION INC IMMEDIATELY, AT 800-466-1900. IF INCIDENT HAPPENS AFTER NORMAL BUSINESS HOURS, PLEASE FOLLOW INSTRUCTIONS GIVEN BY AUTO ATTENDANT.

Carrier represents and warrants that it will comply with the following "TRUCK DRIVER SEAL RESPONSIBILITY" POLICY.

\*DRIVERS MUST VERIFY SEAL # UPON LOADING AND VERIFY # MATCHES SEAL # ON WRITTEN ON BOL

\*DRIVER MUST CALL IN SEAL # PRIOR TO LEAVING SHIPPER

\*DRIVER MUST CHECK CALL DAILY AND VERIFY SEAL IS STILL INTACT

\*DRIVERS MUST CALL UN UPON DELIVERY; VERIFYING SEAL WAS BROKEN ONLY BY RECIEVER AND SEAL # MATCHED # ON BOL

In the event of a broken security seal, the load may be turned away and rejected by the consignee. This includes unreadable numbers or non-matching numbers with the BOL. The receiving manager will be notified along with the carrier's dispatcher and a representative from the facility where the load originated. The shipment will be returned to origin at the carrier's expense. All applicable freight charges will be suspended, and original rate confirmation/contract will be voided. Upon return of the freight to original origin, carrier maybe held responsible for cargo claim if the freight is found not to be reusable.

Pertaining to an inspection where the seal must be broken, the truck driver is responsible to have the authorities indicate by stating directly on the BOL, that the seal was broken in their presence

THE FOLLOWING INFORMATION MUST BE CALLED IN IMMEDIATELY TO PRODUCTIVE TRANSPORTATION INC \*LOCATION OF THE SEAL BEING BROKEN \*AGENT/OFFICER NAME \*AGENT/ OFFICER BADGE NUMBER \*PHONE NUMBER OF AGENCY AND/OR LOCAL AUTHORITY

Truck driver is responsible to have the authorities re-seal truck with their authorized own seal and identify doing so directly on the BOL. If seal must be broken for any reason – truck driver and carrier are responsible to contact 24 hours on call person immediately at 800-466-1900 and follow hour's instructions. This process will help secure all products during transportation and will remove all unnecessary risks to the customers, suppliers, carriers and Productive Transportation Inc. We appreciate your cooperation.

# APPENDIX B California Air Resources Board or ARB

Beginning January 1, 2013, the California Air Resources Board (CARB) will be implementing new requirements under the Transport Refrigeration Unit (TRU) Regulation that were added in the 2011 Amendments, approved by the ARB on October 21, 2011. The intent of these new requirements is to ensure that the businesses that hire carriers to haul perishable goods in California hire only carriers that either, dispatch or own, equipment that meets the TRU Regulation's performance standards. By accepting the loads tendered to you by Productive Transportation, you represent and warrant that your company is in compliance with these regulations and requirements.

For more information see: http://www.arb.ca.gov/diesel/tru/tru.htm

The undersigned hereby declares, warrants, and represents, that they have completely read and fully understand and voluntarily accept the above policies stated herein.
