2. The rates and charges provided in this rate confirmation shall represent the total compensation owed to Carrier, inclusive of any accessorial, fuel surcharges, or any other charge or expense, unless otherwise expressly stated herein. The rates and charges cannot be amended, modified, or supplemented except by written agreement of an authorized representative of DCL. Any rates, charges, fees, terms and/or conditions contained in any tariff, circular, schedule or similar document maintained or used by Carrier shall not apply, unless expressly agreed upon by DCL.
3. Additional operational terms and conditions applicable to the shipment may be included in the Carrier Instructions and Requirements and such additional operational terms and conditions shall apply. To the extent the Carrier Instructions and Requirements conflict with the Agreement, the Carrier Instructions and Requirements shall supersede and apply. Carrier acknowledges that all freight handling, routing, and delivery instructions provided by DCL are those of the Customer.
4. Carrier must have written approval from DCL to be included on rate confirmation for any additional charges, including but not limited to, detention, stop off, layover, loading, or unloading. Any additional charges not approved by DCL will not be invoiced by Carrier nor compensated by DCL.

Carrier may select expedited payment for a fee of five percent (5%) of the gross rate. Fees for wire issuance will be assessed to Carrier.

Carrier is solely responsible for transporting the shipment within legal weight limits. If Customer does not scale on site, Carrier shall make an immediate protest prior to transporting the shipment and Carrier's failure to protest shall be deemed Carrier's acceptance of the shipment as provided and places liability on Carrier for fines, penalties, or costs associated with movement of an overweight shipment.
8. Carrier must notify DCL immediately of any overages, shortages, losses, or damages to freight transported by Carrier.
9. Carrier shall be liable for overages, shortages, losses, or damages to freight pursuant to 49 USC § 14706 and as further provided in the Agreement.
10. Carrier shall provide services pursuant to its motor carrier operating authority and shall not subcontract, broker, interline, or use substituted service without written authorization from DCL.
