Trailer must remain sealed if hauling any food grade product. Upon delivery of product to destination, the consignee shall promptly count and inspect all receipts, and the driver shall obtain the consignee's signature below at delivery as proof of delivery. The consignee shall break the seal, record the seal number, and note any damage or count variance before signing the receipt. Under no circumstances shall the driver be permitted to break the truck seal unless directed to do so by the consignee. If seal is broken or shows evidence of tampering, carrier shall be fully responsible for any and all damages or penalties associated with the same regardless of whether the goods are insured. All discrepancies (over, short, or damaged product) must be documented on the bill of lading.
