Carrier Rate Confirmation Terms

Please send all invoices and signed BOLs to carrierinvoices@hometownLX.com. All accessorial and/or extra charges must be reported in writing and approved within 2 hours of delivery to be considered for payment. Lumpers require a receipt for reimbursement. Hometown does not pay lumpers up front. It is the driver/carrier's responsibility to check the BOL to ensure it matches the Hometown load confirmation for all details including but not limited to pick up, delivery, temperature, customs, units, and weight. If there are any discrepancies at all, you must receive written approval from Hometown before leaving the pickup or we will not be responsible for additional charges or claims that may incur. The carrier agrees that it will not sub-contract, or otherwise arrange for the load to be transported or cross-docked by a third party without prior written consent of Hometown. All reefer loads must run at continuous running temps. No start/stop reefers. The carrier is responsible for reefer breakdowns. It is the driver's responsibility to make sure the correct product is picked up and delivered to the receiver on all loads including multi-stop loads or rate deductions will be made to resolve the delivery error. Once the carrier leaves the shipper's facility, they assume all responsibility for cargo damage incurred from improperly loaded freight. It is the driver's responsibility to ensure freight is loaded and secured properly. Carriers are responsible for all load shifts and any claim amount will be deducted from the load pay. All cargo claims and property damage claims can be deducted from the load rate and any carrier account payable. Carriers agree they are responsible for all resulting claims. Through pick up of this load, or by accepting this tender, the carrier agrees to the terms outlined on this document and the Hometown carrier packet. Please only communicate with Hometown Logistics for all matters. Detention requires signed In/Out times by the customer. To qualify for detention, carriers must have their driver track on the Trucker Tools App. Failure to track for the entire duration of the load can result in a fine of up to \$250 per day and will void any detention or layover. No exceptions are allowed. Approved layovers pay \$150 a day. In fulfilling a commitment to our customers, we require tracking and on-time pickups and deliveries on each load. Failure to do so will result in a \$250 fine per day if you are late or if TruckerTools tracking is not used and remains on for the entire load. Weight totals are a estimate and carriers are expected to haul up to their legal limit for the agreed-upon price. Hometown does not provide any extra money to carriers for a heavier weight on a full truck load tender. Any carrier that holds a load hostage and demands another rate confirmation will not be paid. A new rate con will not override the first-rate confirmation in these situations. If a carrier is suspected of double brokering, this load and all payables will be put on hold for at least 90 days to resolve the discrepancy. Acceptance, signing this tender, and/or picking up the freight in this tender confirms your acceptance of all these terms and Hometown's carrier packet terms. The carrier warrants that it is duly and legally qualified to provide transportation services contemplated herein and that it holds auto and general liability insurance of at least \$1,000,000 and cargo damage insurance of \$100,000 per load. Carrier is liable for the full value of all cargo hauled. Hometown is not responsible for any damage to the carrier's equipment. The carrier agrees to communicate any delays to Hometown. Failure to provide accurate and timely updates could result in significant late fees of up to 50% of the total load pay. The carrier is required to obey all FMCSA regulations while in transit. FMCSA takes precedence over any pickup or delivery notes. A signed original shipper POD/BOL is required for payment. Carriers have a maximum of 14 calendar days from delivery to submit complete clean signed and visible PODs and invoices. Carrier is responsible for providing a COI with Vin numbers listed on any policies that don't cover all auto's. Any invoices submitted after 14 days will receive a \$250 deduction and an additional \$50 per day past 14 days deduction. Missing POD/BOL may result in a late payment or no payment. IF YOU NEED ASSISTANCE ON THIS LOAD, PLEASE CALL THE BROKER WHO TENDERED YOU THE RATECON. PHONE NUMBER IS IN THE PICKUP NOTES.
