Pick Up Date: 11/3/2024

Pickup Instructions: . Here at Houston, we plan on going to a new pickup procedure for carriers picking up loads at our facility. This is to reduce traffic on our streets and at the gatehouse. The procedure is below. 1. Drivers picking up loads will need to go to the dirt pad under the bridge instead of checking in at the gatehouse. 2. Once the drivers park they will be required to call our dispatcher who will direct them to what door to go to get loaded. Note: They will still have to stop at the gatehouse to have their trailer inspected review safety procedures and get directions to pick up their loads. The number to call will be 713-475-7635 The load-carrying equipment shall be fully watertight and weatherproof The vehicle floor must be robust and in good condition, free from any protruding objects, swept of debris, and have no liquid residue on the floor or sides that could damage the products ***all late loads are subject to fine!!*** No pets or passengers on site!
