IV. Driver must watch the freight being loaded to ensure the trailer is loaded properly and correctly to the driver's satisfaction.

## ALLEN LUND RATE CONFIRMATION

- V. Driver must secure freight with at least two-three load locks once loaded to avoid shifting during transit.
- VI. If the driver is NOT allowed on the dock to count product and verify condition of product prior to it being loaded onto your trailer, then the driver must have the shipper write "Shipper load, count and seal" on the bill of lading, put a seal on the load with the seal number referenced on the bill of lading and then sign the bill of lading.
- VII. If these requirements cannot be met, carrier must contact us immediately regardless if it's after-hours to address/resolve any issues before leaving the shipper to avoid any potential claims associated with these instructions not being followed by the carrier/driver.
- 5) If there are any problems which would delay the truck to the pickup or cause the truck to be late for their delivery appt, carrier must call ALC Orlando immediately regardless if it's afterhours which is 888-785-5863.
- 6) Daily Check Calls are required. Failure to communicate a probable late delivery prior to the delivery appointment (no call/no show) for any reason including breakdowns may result in fines up to \$500.00 as imposed by the shipper and to be passed on through to the carrier. Documentation from a breakdown is required otherwise fines may still be incurred.
- 7) Carrier, by acceptance of this load, you are acknowledging that you agree and will follow the above requirements regardless if this rate confirmation is accepted, sent back to us signed or not signed

\*If a trailer security seal is used on this shipment by the shipper do not break it until advised by Costco receiving as a claim may result. Please be advised Costco Depots will not unload any Retailer Branded trucks/trailers such as Amazon, Walmart, Safeway or trailers with lift gates. These trailers will be rejected at delivery..
