## Notes

All Van/Container loads MUST be sealed at origin either by shipper or driver with a seal number noted on bill of lading. The driver is responsible for re-sealing the trailer after each pickup/drop on a multi-stop shipment. In the event a shipment that was sealed at origin or after each additional pickup/drop arrives at the destination with a tampered seal or without the seal intact then (i) the Carrier shall be liable for any shortage or damage claims with respect to such shipment and (ii) the shipper shall have the right, in its sole discretion, to deem the entire shipment damaged, adulterated/contaminated and unsalvageable, without the need for any inspection and the Carrier shall be liable for the full value of the shipment. Carrier is required to weigh shipment within 50 miles of departing each shipper. If carrier fails to weigh shipment within 50 miles of departing each shipper, any citations/expenses incurred due to the equipment and/or shipment weight will be the carrier's sole responsibility. Carrier must meet and comply to shipper requirements at the facility. All drivers must wear masks or facial coverings to the extent required by laws or facilities. **Carrier must be in full compliance with the Food Safety Modernization Act (FSMA), if applicable. By accepting the shipment, Carrier agrees that the driver has consented to receiving text messages and/or phone calls from or on behalf of Coyote.**

Approval for payment of detention is contingent upon the following eligibility requirements:

- 1) Carrier must report facility departure time and total detention hours within 24 hours of shipment delivery at the final facility.
- 2) Carrier must provide proof of the on time arrival and departure times in the form of a BOL or other shipping document with arrival and departure times notated by facility within 24 hours of shipment delivery at final facility.

## Route Directions

Carrier acknowledges that any routing instructions from the shipper herein are being provided for convenience only, and the Carrier may choose the route.

Coyote Logistics, LLC is an Equal Opportunity Employer

## Terms and Conditions

The Broker-Carrier Agreement or Carrier Agreement (in each case, the "Agreement") between Coyote Logistics, LLC, a Licensed Property Broker - USDOT # 2236410, and ROYAL3 INC is amended by the verbal agreement between Jared Soderholm of Coyote Logistics, LLC hereafter referred to as BROKER, and Jason Corkovic of ROYAL3 INC hereafter referred to as CARRIER, dated 11/20/2024.

This confirmation is subject to the terms of the Agreement and this document constitutes an amendment thereto. If the CARRIER has not signed the Agreement, then the rate shown above is the agreed individually negotiated rate and no other rate shall apply including any carrier tariff rate or terms.

THIS LOAD SHALL NOT BE DOUBLE BROKERED. No additional charges not listed above may be added by the CARRIER. Any additional charges must appear on a revised confirmation sheet signed by the BROKER. CARRIER must include signed copy of the shipper's bill of lading and any other proof of delivery with invoice to BROKER. Rates, except as specifically designated above, are inclusive of any fuel surcharge. CARRIER certifies that it is in compliance with all requirements of the California Air Resources Board (CARB) that are applicable to the scope of CARRIER's operations, including, but not limited to: Statewide Truck and Bus Regulations, Transport Refrigeration Unit (TRU) Regulations, Tractor-Trailer Greenhouse (GHG) Gas Regulations, and Drayage Truck Regulations. CARRIER also warrants that it is in compliance with any comparable requirements of the Environmental Protection Agency (EPA) and other states, where applicable. CARRIER shall be responsible for any fines imposed on BROKER and/or shipper resulting from noncompliance.

CARRIER hereby confirms that it maintains applicable and valid insurance without exclusions that would prevent coverage for the items listed above. CARRIER has at least \$100,000.00 in cargo insurance and \$1,000,000.00 in automobile liability coverage. CARRIER further confirms that in transporting the shipment described hereinabove, it will comply with all U.S. DOT and FDA regulations applicable to its operations while transporting said shipment, including, but not limited to drivers' hours of service, and the Food Safety Modernization Act (FSMA), if applicable. CARRIER agrees to the attached requirements from the shipper, if any.

### ALL LOADS ARE SUBJECT TO ELECTRONIC TRACKING

By accepting this shipment, CARRIER agrees that it has obtained a written agreement from each driver transporting a shipment tendered by BROKER to CARRIER pursuant to the Agreement in which each driver provides all necessary consents to (i) receiving text messages and/or phone calls from or on behalf of BROKER and (ii) allowing BROKER or its vendor to track such driver's location while transporting such shipment. CARRIER shall comply with all applicable laws relating to the collection, use, storage, retention, disclosure, and disposal of any information CARRIER provides to BROKER, including information regarding the drivers transporting shipments. CARRIER shall indemnify, defend, and hold BROKER and its affiliates harmless from and against any and all claims, damages, liabilities, losses, actions and expenses (including attorneys' fees) arising out of or in connection with CARRIER's breach of this Section. This Section shall survive the expiration or termination of the Agreement between BROKER and CARRIER.

**Operating Parameters**  
**Pabst Brewing Company % Ryder**

**Carrier shall adhere to the following customer requirements:**

- a. Carrier shall be required to equip Carrier's tractors with a Global Positioning System ("GPS") for the purpose of real-time shipment tracking. The GPS data will be generated by the tractor's Electronic Onboard Recorder ("EOBR") (or collected in some other manner). The tractor's GPS data is collected every 15 minutes while enroute beginning with the time of freight pick-up and monitoring through the final shipment delivery. Shipper expects 100% compliance in shipment tracking.
- b. Transport equipment may be required to be dropped within a pool at some locations to be identified.
- c. Carriers must supply only clean, physically sound equipment, which is free of mold, rodents and insect infestation. Equipment must be food grade approved when requested.
- d. **Equipment Requirements:**
  - **Dry Van Equipment**
    - 53' (length) trailers of standard width – air ride preferred
    - Reefers may be substituted with prior approval
    - Wood or Metal Floors
    - Trailers must be blocked for every load.
    - Load Bars Required
- e. On-Board Communications Requirements; Cell Phone, Satellite, or Pager
- f. Overages, Shortages and Damage (OS&D) Claims:
  - For shipments tendered to Carrier under "Shipper's load and count" terms, the Carrier's responsibility for loss or damage to products will be at all-times consistent with Carrier's receipt of the products on that basis.
  - For inter-plant shipments (point-to-point), Carrier does not return any damages and overages. All products will be retained by the receiving location.
- g. The Carrier must be C-TPAT Certified for any imported shipments with a final destination in the U.S.; Shipment must be transported under C-TPAT protocol and procedures
