TERMS AND CONDITIONS

1. All drivers are required to count and verify shipment before loading. If discrepancies are found the driver must call RGL prior to leaving.
2. Trucker Tools tracking is required on all loads over 200 miles. Failure to accept tracking prior to pickup will result in Carrier being removed from the load. Any potential detention would be contingent on the carrier accurately tracking the load through Truckertools. If there is no Trucker Tools tracking, detention may not be paid.
3. Any detention at a shipper or receiver must be communicated to RGL a minimum of 30 minutes prior to detention time starting, to ensure the ability to submit for customer approval. Time stamped BOL is required to submit for detention compensation. Please send to your direct RGL contact or to rgl-carriersolutions@rgllogistics.com
4. Due to the level of fraud in our industry, (email phishing, phone spoofing, etc.) we want to remind all carriers to always reach out directly to your specific RGL contact to verify any changes to your load.
5. All claims must be resolved within 30 days. RGL reserves the right to deduct the amount of a claim from Carrier's freight charges.
6. By signing below the Carrier warrants that it is duly and legally qualified to provide the transportation services contemplated herein, and that it holds liability insurance of at least \$1,000,000 and cargo insurance of at least \$100,000
7. Carrier must provide a signed POD and Invoice to receive payment. Payment is made within 30 days of receipt of paperwork. Preferred email is billing@rglspecialty.com.
8. Double brokering is prohibited. If Carrier re-brokers or double brokers the load Carrier's freight payment is null and void, and they may owe damages to RGL.
9. Lumper receipts must be received within 24 hours for reimbursement. Please send to your direct RGL contact or to rgl-carriersolutions@rgllogistics.com
10. Carrier must submit any accessorial requests within 24 hours of delivery, unless otherwise stated on their rate confirmation.
