ATTENTION DRIVERS

SCAN the QR Code & **FOLLOW** the below steps:

Step 1: The driver will download the FourKites CarrierLink app via the App or Google Play Store by scanning the QR code

Step 2: Once the driver downloads the app, the app will require access to tracking via driver phone number. *Please Note: Drivers MUST* select "Always Allow" for tracking when using the app in order for all location updates to be sent to CJ LOGISTICS

Step 3: The driver will set up the CarrierLink app by logging in with their full name and phone number

Step 4: The driver will assign themselves to the load within the "Loads" section of the app and go to the "Active" tab

Step 5: By either clicking "Add a Load to Track" or the "+" Icon, the driver will enter their load number to track for their specific route

Step 6: Once the driver is assigned to the load, the app will send the location updates from the phone to FourKites and post them to CJ LOGISTICS loads.
