Carrier also accepts that Sage Freight will not be held liable for any citations, fines, civil penalties, or criminal action incurred due to carrier's failure to meet these requirements.

Unless otherwise noted, Carrier is responsible for making sure equipment/commodity is loaded correctly by shipper and within legal dimensions and weight for specific trailer type being used. If the shipper refuses to load your trailer due to the condition of your equipment, then we will not pay a Truck Order Not Used. Once carrier leaves the shipper's yard, they assume any and all responsibility for damage incurred from improperly loaded machinery. In the event you do not fulfill the terms of this agreement, you will be subject to any and all fines associated with the service failure beginning with \$250 per day that you are late.
