### SWICK LOGISTICS LLC - LEGAL DISCLAIMER FOR CARRIERS

### NOTICE TO MOTOR CARRIERS

This tendered shipment, provided by Swick Logistics LLC, is intended exclusively for the designated carrier engaged as a for-hire motor carrier in strict accordance with the terms outlined in this tender. In the absence of any separate transportation contract or interlining agreement established by mutual consent between the parties, any act involving the brokerage, transfer, tender, or any arrangement for an alternate motor carrier to transport the cargo specified in this tender may be subject to penalties under Federal law (49 USC 14916), resulting in potential fines of up to \$10,000 per tender.

All shipments are booked as dedicated unless otherwise agreed upon by both parties prior to booking. If a shipment booked as dedicated is subsequently transported as a partial, the payment may be adjusted to 20% of the dedicated rate.

Swick Logistics LLC Services explicitly prohibits any involvement in FMCSA violations, including but not limited to hours-of-service violations. Carriers are obliged to thoroughly review the Bill of Lading to ensure strict adherence to the terms outlined in the Rate Confirmation. Prior to departing from the shipper's location, carriers are required to provide essential information, including the Bill of Lading, piece count, photographs of the freight, and weight.

In the event of unexpected delays that may impede the timely fulfillment of scheduled appointments, it is imperative that carriers promptly communicate with our office. Under no circumstances are carriers authorized to directly engage with the shipper or receiver to modify appointment arrangements. Failure to meet strict pickup and delivery appointment times may be deemed a service failure, which could result in a rate reduction of up to 20% for the carrier.

Carriers are expected to furnish Hard Copy Proof of Delivery (HC POD) within one (1) hour following delivery. Any overages, shortages, or damages must be promptly reported to SWICK LOGISTICS LLC while the carrier is still present at the customer delivery location and clearly documented in the Bill of Lading. Prior to departing from the delivery location, the carrier is responsible for obtaining a legible signature from the consignee.

All accessorial terms and charges require advance written approval from Swick Logistics LLC. The compensation for detention is assessed on a load-specific basis. Carriers must arrive punctually for scheduled appointments or within the "First-Come, First-Served" (FCFS) timeframe, and must notify Swick Logistics LLC at least 30 minutes prior to the commencement of any detention period. Unless otherwise specified in writing, the detention payment does not commence until at least 2 hours have elapsed.

Unsanctioned charges will not be honored. In cases where a true team (comprising 2 drivers with CDL) is not deployed, the carrier's rate may be subject to a 20% reduction, irrespective of the delivery being late or not. Carriers are required to provide transparent information about driver operating hours at the time of load booking. If a driver experiences delays in delivery due to a restart or a 10-hour break, the rate remains subject to deduction.

Any further reductions in the rate stemming from service failures with our clients shall be fully borne by the carrier. Failure to provide an invoice with a complete and legible set of paperwork within 30 days of delivery may result in a 20% rate deduction. Failure to provide the driver's name and contact number may lead to removal from the assigned load.

In the event of a vehicle breakdown during an expedited shipment, carriers take responsibility for any additional charges incurred in ensuring the timely delivery of the shipment.

Drivers who do not accept MacroPoint tracking prior to pickup will be removed from the load. In such cases, Truck Order Not Used (TONU) compensation will not be paid.

This notice is subject to change, and carriers are encouraged to stay informed of any revisions. By accepting this tender, carriers acknowledge their full compliance with the aforementioned terms and conditions.

### \*\*\* FAILURE TO OO ANY OF THE FOLLOWING WILL RESULT IN A FINE \*\*\*

Up to \$250 Fine for Not Accepting MacroPoint Tracking (unless live GPS tracking link is provided)

Up to \$250 Fine for Late Delivery

All Convention Show loads must have a SIGNED waiver for billing or be subject to a \$250 Fine.

### \*\*\* Please Note Standard Accessorial Fees\*\*\*

Detention RATES \$35 PER HOUR AFTER 2 HOURS.

TONU up to \$150
