Instructions

Pepsi Bottling Company - PBC251 - Please have driver keep track of in and out time. Detention forms must be obtained from the guard shack for detention to be paid out. Failure to obtain detention form will result in forfeiture of detention pay.

Pepsi Bottling Company - PBC251 - PEPSCOOH: ===== DISPATCH COMMENT =====

*Per the Customer's instructions:

Customer requires load to be strapped and secured. Carrier is exclusively responsible for securing the cargo. Axle Logistics is not responsible for and will not compensate for shifted product or restacking/reworking fees, charges, or penalties.

Carrier is responsible to ensure driver checks the provided load number and receiving address paperwork match the rate confirmation; if anything differs please reach out to an Axle Logistics representative immediately.

The seal must only be broken by a PepsiCo approved employee from either the shipper or the receiver. If the seal is broken, it can result in a full claim of the product and destruction at the cost of the carrier.

If the seal is broken by law enforcement, it must be documented and signed on the BOL and the officer should provide a new seal and provide the appropriate paperwork and authorization.

If all or part of a shipment is rejected by the receiver, carrier driver must wait on site until given instruction from an Axle Logistics representative. If the seal has already been broken by the receiver and the driver is asked to leave the receiving facility, the driver must have the trailer resealed by a PepsiCo approved employee and notify an Axle Logistics representative in writing before they exit. Failure to have the trailer resealed in this event could result in a full claim of the load at the responsibility of the carrier.

To qualify for detention pay, the carrier driver is responsible to keep track of in and out time at shipper and/or receiver and must utilize tracking for the full duration of the shipment.

Carrier Driver must be checked in by an employee at the shipper by or before the appointment time on the rate confirmation (if one applies). Drivers waiting in line to check-in will not be counted on time for pick up, only from the time they arrive to the gate.
