this is the largest warehouse on the complex, can't miss it

PLEASE READ

Drivers will slowly approach the guard shack, if not stopped by a clerk they will make their way to the staging area highlighted in yellow, back in to an open spot and walk into the shipping office for further direction

If stopped by a guard shack clerk they should follow instructions given

Drivers should follow the blue arrow around the bend to the staging area to park then check in at the shipping office

The shipping office will advise the driver on next steps

If live loading they'll direct the driver to a door/take their info to call them to a door when ready

If bringing an empty they'll be instructed where to drop their empty and collect their paperwork for their outbound load

For live loads:

i. Drivers must put straps in their trailer before putting trailer to the door for loading otherwise Utz will provide a strap and secure the load. We will deduct \$50.00 from the linehaul per occurrence each time drivers do not put straps in the back of the trailer for Utz warehouse personnel to strap the load as Utz will provide a strap

For drop trailers

i. As of 12/16 we'll mirror current process for the drivers to secure the load themselves and seal,

1. Once the guard shack is operational the trailer will be inspected before exit. If the load is not strapped the driver will have to strap before departing

a. If the driver does not have a strap Utz will provide one and deduct \$50 per occurrence from the linehaul

b. If driver has strap and needs to put the trailer to a dock to properly secure the guard will help coordinate
