- Reefer must be set to continuous run unless otherwise specified on shipper's bill of lading.
- You must have your driver make a check call once loaded to verify reefer setting.
- You affirm your company has a reefer maintenance policy in place and conduct regular maintenance on your reefer units.
- At request of customer, you will need to provide a reefer download to defend all temperature control issues within 24 hours.
- If any information on the rate con sheet is different or conflicting from the shippers BOL immediately contact the Beemac representative who booked the load before the driver leaves the shipper's premises.
- For all OS&D issues email/call your Beemac representative immediately, failure to report may eliminate your ability to dispute any claim that may arise.

-Any directions given by Beemac or its customers, whether orally and/or electronically are for informational purposes only. It is the Carriers sole responsibility to confirm that it may lawfully and safely operate its vehicle and its contents over any road, highway, bridge and/or route. Carrier shall be solely responsible for any fines, penalties, or citations that may be levied as a result of operating its vehicle and contents in any way that may be found to be in violation of any law, regulation, or ordinance.

-Compensation may be withheld if this shipment is double-brokered, co-brokered, re-brokered, assigned or interlined with another authorization or if the shipment is consolidated with any other freight or if the agreed services are not fulfilled, unless written authorization is provided by Beemac.

-Carrier hereby confirms current and valid insurance without exclusions in conflict with load # 1646129 , in amounts no less than the following: one million dollars (\$1,000,000) auto liability coverage, one million dollars (\$1,000,000) general liability coverage, \$100,000 cargo coverage unless higher levels are required. If carrier's insurance policy contains a schedule of covered vehicles, carrier will only transport this shipment using a vehicle that is listed as a scheduled vehicle on their insurance policy.

-Trailer seals: If shipper provides a seal this seal must be applied, with seal number noted on bill of lading, prior to departure from shipper. Seals must not be broken without prior written approval from Beemac. Unless removed by government officials where a government seal must be re-applied and documented. Failure to deliver at the designated consignee with proper seal intact may result in a claim.
