Remarks and Load Notes

Order Remarks

- (A) This shipment will be picked up, transported and delivered by said named Carrier. Carrier agrees this shipment will not be re-brokered, trip leased, or blind shipped. If Carrier brokers this shipment in violation of this agreement, we reserve that right to pay the actual carrier. The shipment may not be transported via intermodal service or on the railroad.
- (B) **The charges indicated include all costs and fees in connection with shipment as tendered including stop charges and any applicable surcharges.** By accepting this shipment, Carrier agrees that the services provided by it are subject to the terms and conditions of its motor transportation contract with Hub or any of its affiliates, including Hub Highway Services or CaseStack.
- (C) Directions are provided to the carrier for informational purposes only. It is the sole responsibility of the carrier to confirm a lawful, safe and appropriate route for their vehicles.
- (D) By accepting this shipment, Carrier agrees it is liable to us under the Carmack standard of liability for the full value of the freight tendered.
- (E) By accepting this shipment, Carrier agrees that all claims for freight loss and damage will be paid promptly. If a valid claim is not paid within a reasonable period of time, Carrier agrees we may offset any money owed by us to Carrier against such valid cargo claim.
- (F) By accepting this shipment, Carrier represents and warrants to us that it has at least \$100,000 of cargo insurance covering each load accepted from us.
- (G) All references to "Hub" or "Hub Group, Inc." herein shall mean and include Hub Group, Inc. and its corporate affiliates and subsidiaries, including Hub City Terminals, Inc.
- (H) Carrier must (i) notify Hub of any accessorial charges prior to their occurrence, (ii) complete accessorial charge information via Hub's carrier portal by 23:59 on the second business day following occurrence, and (iii) submit all required supporting backup documentation by 23:59 of the second business day (Day + 2) of the occurrence. Failure of Carrier to comply with (i), (ii), and (iii) shall result in claims for such accessories being waived. Accessorial charges which are denied by Hub must be disputed by Carrier in writing within 2 business days of Hub's denial, or claims for such accessories are waived.

Hub Group has several invoicing options:

- o Carriers who are not EDI capable, please register and create a login to our portal at <https://hubconnect.hubgroup.com/>. This is the preferred method and the fastest way to get paid. Factors can register and create a login to our portal also.
- o Carriers who are EDI Capable should contact the following teams to discuss EDI connectivity:
 - o Truck Brokerage: Your Hub Group dispatcher
 - o Intermodal - drayage@hubgroup.com
- o Manual / email invoicing can be accomplished but because it is manual, it is the slowest way to get paid. Submit required paperwork (BOL, POD) with Transflo Velocity or Transflo Mobile+ by using recipient ID HUBG. To get started, go to www.transflovelocity.com or your smart phone app store to download the app. This is the least preferred option.
- o Carriers who are unable to invoice due to missing orders or missing charges are required to coordinate with the Hub dispatcher the Load Tender came from to initiate the resolution process. AP cannot create the PO, only pay it.

The process for getting paid for Additional Charges is as follows:

- o Carrier must advise Hub Group of all additional charges associated with the order that could result in additional or accessorial charges. Failure to notify Hub Group within 24 hours of the occurrence, or failure to provide proof of service (POS) could result in a declination of additional charges. Once the charges have been approved, Hub Group will issue an accessorial authorization and can be invoiced out of Hub Connect. To invoice manually, the authorization sheet MUST be emailed as a part of the billing process to get paid.
- o For DETENTION: Carrier is required to notify their Hub Dispatcher from 1 hour before detention begins, to get the issue resolved, and obtain an Accessorial Approval Form as mentioned above. Carrier is required to receive stamped in & out times (signature is acceptable if times are noted) from the shipper/consignee for detention approval and payout. Carrier must also provide a signed hard copy of the required paperwork for support. Detention charges do NOT apply if driver arrives at a time later than the scheduled appointment time.
