Terms and Conditions This rate confirmation is subject to the terms and conditions of the master Broker-Carrier Agreement ("Agreement"). The rate shown is the agreed individually negotiated rate and no other rates shall apply including any Carrier tariff, rate schedule, or other term or condition of carriage. The rate, unless otherwise stated in the rate confirmation, is inclusive of any fuel surcharge. Any accessorial charges (including but not limited to labor, detention, and/or layover charges) must be pre-approved by Broker in writing. Broker will not provide any reimbursement for unapproved accessorial charges. The rate shown is for a full truckload shipment transported by Carrier. Carrier shall not partial, combine, or consolidate the shipment with any other cargo. Carrier shall not broker or subcontract transportation of the shipment to any third party. It is Carrier's sole responsibility to: (1) follow any special shipping and handling instructions or special equipment requirements provided in this rate confirmation, and immediately contact Broker if Carrier receives any inconsistent instructions; (2) ensure the shipment is in apparent good order and condition and properly blocked and braced, or notate on the bill of lading that Carrier was uninvolved in loading or otherwise unable to count, inspect or secure the shipment; and (3) ensure that trailer seals are applied and remain intact until removed by an authorized employee of the consignee, and immediate contact Broker if the seal is broken for any reason. The rate is contingent upon successful and on-time completion of all terms and conditions of this rate confirmation and the Agreement. The rate is subject to deduction in Broker's discretion if Carrier fails to complete any terms and conditions, or in the event of a rate deduction or fine to Broker resulting from Carrier's act or omission. Notwithstanding anything to the contrary in this rate confirmation or the Agreement. the rate shall not be deducted where Carrier has promptly notified Broker that legal and safe operation prevented Carrier's on-time performance. Carrier must include a signed copy of the shipper's bill of lading and any other proof of delivery with Carrier's invoice to Broker. Failure to submit proof of delivery within fifteen (15) days of delivery will result in a \$150 deduction from Carrier's invoice. Broker will not provide any reimbursement for accessorial or other charges submitted without receipts or other supporting documents, or presented after payment of carrier's initial invoice. The person signing this rate confirmation represents and warrants to Broker that (A) Carrier's insurance policies cover the entire geographic scope in which Carrier will operate, all equipment and drivers Carrier uses to perform, and the type of cargo transported by Carrier pursuant to this rate confirmation; (B) Carrier shall transport this shipment with equipment owned or leased by Carrier and operating under Carrier's operating authority, and subject to the terms of this rate confirmation and the Agreement; and (C) all representations and warranties made by Carrier in the Agreement remain true, accurate and complete in all material respects.
