ALL loads that include a lumper fee must have an updated rate confirmation to include the lumper fee and lumper fee must be included on the Carrier invoice when billing. When Werner pays a lumper fee, the receipt will be confirmed and only a deduction of the convenience fee will apply. ANY Carrier-paid lumper charges will not be reimbursed without a receipt. Failure to report and/or submit a lumper receipt for any load will result in the lumper charge either not being compensated or the advance being deducted from Carrier's settlement.

**FUEL AND OTHER ADVANCES:** Advance fees will apply to all advances provided by Werner. Fuel advances require the completion of a Carrier Advance Authorization Form to qualify for fuel advances and are limited in amount. **STANDARD PAYMENT (NET 30):** Do not send invoices by regular mail. Please submit invoices to [carrierimaging@werner.com](mailto:carrierimaging@werner.com). To process payment without delay please reference the **Werner Route #** on the invoice and include a copy of the agreed-upon rate confirmation (must consist of all accessorial charges), a legible copy of the Signed Bill of Lading/Proof of Delivery and any receipts for accessorial charges incurred. Werner's standard payment terms are thirty (30) days from receipt of all required documents.

**PERISHABLE/NON-PERISHABLE QUALITY ASSURANCE REQUIREMENTS AND STIPULATIONS:** Overages, shortages, and any discrepancies must be communicated with a live person at Werner before physically leaving the location. Failure to comply with the previously referenced requirements can result in chargebacks from the buyer, which will be deducted from current, accrued, or future freight invoices from Carrier. Delayed service by Carrier (both negligent and/or unauthorized) can result in a reduction of freight charges owed to Carrier due to a decline in the market value of the product. Figures will be based on current USDA prices at the time of delivery and the buyer's ability to sell the product. If the product is late or damaged and Carrier wishes to have the product placed on its behalf at a new consignee, the net return to Carrier will be based on a price-after-sale basis. Signing for the poor-conditioned product can result in a full claim to Carrier.

**SEALS:** When the shipper requires trailer seals, the seal **MUST** be applied with the seal number noted on the Bill of Lading before departure from the shipper. Seals **MUST NOT** be broken without written approval from Werner. **FAILURE TO DELIVER TO THE DESIGNATED CONSIGNEE WITH THE PROPER SEAL INTACT WILL RESULT IN A CLAIM.**

**CARB/TRU COMPLIANCE:** Carrier must be California Air Resource Board ("CARB") compliant when traveling to, from, or through California. Carrier or its agent certifies that any TRU equipment furnished will comply with the in-use requirements of California's TRU regulations. Carrier agrees to indemnify Werner and all other parties from any loss, damage, fine, or penalty resulting from Carrier's failure to comply with any CARB regulations or requirements, including but not limited to, TRU regulations.

**TERMS & CONDITIONS:** Please return signed rate confirmation to [carrierimaging@werner.com](mailto:carrierimaging@werner.com). The rate stated above is inclusive of all accessorial charges and surcharges unless otherwise agreed to in writing by Werner. The Carrier is prohibited from subcontracting (double brokering) freight to any other Carrier. In the event Carrier double or re-brokers any shipment, Werner reserves the right to pay the delivering carrier and Carrier waives any right to receive payment for such shipment. Additionally, Carrier shall remain primarily liable as provided herein. Transferring a load to the rail or consolidating with any other freight, unless approved by Werner, could result in a reduction of linehaul or complete payment. The Carrier agrees to full and exclusive use of the trailer for any truckload. This confirmation assumes the Carrier agrees to accept full responsibility for all load specifics including, but not limited to, the rate, pick-up/delivery specifics, appointments, commodity specifications, shipment requirements, and the immediate communication of any/all accessorial charges incurred. Should there be any deviations from the above statement, the Carrier is required to notify Werner immediately of any changes. Any shipment tender is for the exclusive use of the trailer up to 80,000 pounds gross weight for the duration of the shipment.

By accepting this load, Carrier hereby represents and warrants that it has carefully analyzed the transit times required to meet the scheduled pickup, delivery dates, and time indicated above, and is capable of performing the services contemplated herein within the time limits requested and in full compliance with the Hours of Service regulations of the Department of Transportation as outlined in Title 49 of the Code of Federal Regulations, and all other applicable Federal, State, and local laws, rules, regulations, and ordinances. It is the responsibility of the Carrier to not accept any load tender with delivery and/or pick-up times and dates that would result in the Carrier violating any applicable laws or regulations. Routing instructions are for informational purposes only. Carrier agrees it will follow all DOT Hiring and Safety regulations.

This Rate Confirmation must be accepted by Carrier by signing and returning the Rate Confirmation to Werner. Under the Uniform Electronic Transactions Act, a reply email indicating acceptance is sufficient. Regardless, Carrier's act of picking up the load as described on the Rate confirmation will be deemed acceptance of these load and these terms.

**Unless Werner and Carrier have entered into a written agreement signed by both parties, all services under this Rate Confirmation shall be governed by Werner's Standard Terms & Conditions for Brokered Carriers which is available at Werner.com.**
