The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding PER GROSS TARE NET	The property described below, in apparent good order, except as noted (contents and conditions of contents of packages unknown), marked, consigned and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination. It is mutually agreed as to, each carrier of all or any said property over all or any portion of said route to destination, and as to each party at any time interested in all or any said property, that every service to be performed hereunder shall be subject to the contract in effect between carrier and shipper or ExxonMobil's third party logistics provider (and such contract governs in the event of a conflict with the Uniform Straight Bill of Lading), as well as this bill of lading. In the absence of such a contract or to the extent that the Uniform Straight Bill of Lading applies to the following modes of transportation, every service to be performed hereunder shall be subject to the Uniform Straight Bill of Lading set forth (1) in the Uniform Freight Classification in effect on the date hereof if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment. The Carrier listed on the bill of lading and the carrier in possession of the goods at the time of loss or damage are liable to the shipper. 3. Claims for damage or loss must be presented within nine (9) months of the original delivery date or the date when the goods should have been delivered. 4. Limitations of liability shall only apply if the cargo value has been stated by the shipper or has been agreed upon in writing as the released value. 5. Delete Uniform Straight Bill of Lading Clauses 1.(a), 1.(b), 3.(b) and 5.(a) as revised 8/13/16, or analogous provisions in third-party logistics provider's contract with the carrier. If a freight collect shipment, this bill of lading is a receipt of goods only and a carrier shall have no recourse against consignor for payment of freight and other charges for such freight collect shipments. Carrier hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification of tariff which governs the transportation of this shipment, and the said terms and condition as modified above are hereby agreed to by the carrier and accepted for himself and his assigns. If delivery is made by seller's truck or into vehicle of buyer, Bill of Lading provisions are not applicable and this document will serve as a delivery receipt.
