IN ADDITION, ANY NOTED AT THE BOTTOM OF THE STICKER MUST BE REPORTED TO ALLEN LUND COMPANY AT THE TIME OF DELIVERY. FAILURE TO COMPLY MAY RESULT IN DELAYED PAYMENT, REDUCED PAYMENT, OR NON-PAYMENT

*1) This load requires one of the following types of trailers,

I.IF THIS IS A REFRIGERATED LOAD: We require a 53ft/ swing door refrigerated trailer that is clean, food grade, has no odors or holes in the floor, walls or ceiling and must have an air chute that is in good repair (air chute cannot have any rips, tears, or holes in it and must be properly installed to reefer unit and ceiling throughout the trailer).

II.IF THIS IS A DRY LOAD: We require a 53ft/ swing door dry van trailer that is clean, food grade, has no odors or holes in the floor, walls or ceiling. Carrier may use a refrigerated trailer on a dry load ONLY if they have prior written approval from Allen Lund Company.

2) The first three hours after scheduled appointments of detention are free. In the event the driver is detained beyond two hours after their appointment, carrier must notify us before detention is to begin so we can notify the customer or detention will not be approved. Authorized detention will be paid at \$25.00/hour. Detention is not to exceed \$150.00 per day during any consecutive 24 hour period. If driver is laid-over at pickup and/or delivery then \$150.00 layover will be paid but NOT in addition to \$150.00 of accrued detention on the same occurrence. Detention/Layover charges due to late or missed appointments will not be honored. ALLEN LUND RATE CONFIRMATION

- IV. Driver must watch the freight being loaded to ensure the trailer is loaded properly and correctly to the driver's satisfaction.
- V. Driver must secure freight with at least two-three load locks once loaded to avoid shifting during transit.
- VI. If the driver is NOT allowed on the dock to count product and verify condition of product prior to it being loaded onto your trailer, then the driver must have the shipper write "Shipper load, count and seal" on the bill of lading, put a seal on the load with the seal number referenced on the bill of lading and then sign the bill of lading.
- VII. If these requirements cannot be met, carrier must contact us immediately regardless if it's after-hours to address/resolve any issues before leaving the shipper to avoid any potential claims associated with these instructions not being followed by the carrier/driver.
- 5) If there are any problems which would delay the truck to the pickup or cause the truck to be late for their delivery appt, carrier must call ALC Orlando immediately regardless if it's afterhours which is 888-785-5863.
- 6) Daily Check Calls are required. Failure to communicate a probable late delivery prior to the delivery appointment (no call/no show) for any reason including breakdowns may result in fines up to \$500.00 as imposed by the shipper and to be passed on through to the carrier.
