Trailers must be pre-cooled to designated temperature prior to pickup and maintained within designated temperature range. Trailer refrigeration must be set to cycle type stated above. Carrier's driver must check set point temperature on BOL. Carrier must immediately notify Uber Freight if there is a discrepancy between the set point temperatures on BOL and this rate confirmation.

### Food & Beverage Requirements (for food & beverage shipments only)

Food grade trailer required. Improper trailer temperature control, unsatisfactory equipment or tampered or unauthorized broken seals shall result in carrier's liability for (at shipper's sole discretion) full or partial loss of or damage to cargo without salvage or inspection.

## Agreement

By picking up the shipment set forth in this rate confirmation, carrier agrees to perform such services pursuant and subject to the terms in this rate confirmation and the broker - motor carrier agreement entered into between carrier and Uber Freight. Uber Freight and carrier have agreed that the compensation indicated herein will apply to the shipment listed on this Rate Confirmation and that it will supersede any prior rate confirmation or agreement and that any rates, terms or conditions of any bill of lading, Conditions of Carriage, Carta de Porte, delivery receipt, Rules Circular, tariff or other document are hereby expressly altered or waived. Unless noted otherwise, all sums are stated and will be paid in USD. The Uber Freight broker - motor carrier agreement is available at [t.uber.com/bmca](https://t.uber.com/bmca)

If the carrier's designated driver is not using the Uber Freight App, they must call 844-822-UBER at least 30 minutes prior to entering detention or the request may be denied. Detention starts 2 hours after the scheduled appointment and maxes out at 5 hours

#### **Powerloop Empty Trailer Dropoff Location**

If a Carrier needs to change the empty trailer drop-off location, due to an upcoming Uber Freight load that requires an empty trailer dropped off, they may make a request by sending an email to [powerloop-trailerswaps@uberfreight.com](mailto:powerloop-trailerswaps@uberfreight.com).

#### **Powerloop Empty Trailer Dropoff Time**

After completing a Powerloop load, the carrier can utilize the Powerloop trailer to haul their own backhaul, another Uber Freight load, or return the trailer empty. Carriers can request time extensions (up to 3 days) with our trailers for a fee of \$ 50 a day by emailing [powerloop-trailerswaps@uberfreight.com](mailto:powerloop-trailerswaps@uberfreight.com).

#### **Powerloop Trailer Toll Charges**

Tolls charged to Powerloop trailers will be automatically deducted from payment for the loads during which the toll events occur. Powerloop will notify you of the charge via email, including information regarding the toll event such as toll authority, location, time, and date of the toll event.

#### **Powerloop Trailer - Inspections**

Carrier is required to perform a pre-trip and post-trip inspection of the condition of the trailer that will note all damage and the condition of safety related items including, but not limited to, tires, lugnuts, brakes, air systems, and sliding tandem hook pins that are observable upon reasonable inspection. If Carrier identifies the Trailer requires maintenance during the pre-trip inspection, please contact FYX at 866-498-9525. If Carrier identifies the Trailer requires maintenance during the post-trip inspection, please email [powerloop-trailerhealth@uberfreight.com](mailto:powerloop-trailerhealth@uberfreight.com) and do not contact FYX.

#### **Powerloop Trailer - Roadside Maintenance**

If maintenance is needed for the Powerloop trailer after the pre-trip inspection or before the post-trip inspection, please contact FYX at 866-498-9525 for roadside service. Carrier will be responsible for the cost of any maintenance or repairs to a Trailer that occurs during the Use Period unless Powerloop determines that such cost arose from Normal Wear and Tear. Carrier will pay any such cost to the third-party maintenance provider or to Powerloop. Carrier will pay FYX directly for tire damage not caused by normal wear and tear, including but not limited to, bald/worn tires, run flat, run to destruction, skid flat/dragging, cut, curbed, impacted, or road hazard. Unless stated otherwise, Powerloop will arrange and coordinate all trailer maintenance and the Carrier is not permitted to perform repairs to the Powerloop trailer. If Carrier performs repairs on the Powerloop trailer, reimbursement is not guaranteed. FYX's services are not available for the Carrier's Power Unit.

#### **Powerloop Trailer - Accident, Lost, Stolen, and Destroyed**

If the Powerloop trailer is involved in an accident, becomes lost or missing, or is destroyed, do not contact FYX. Please notify your auto liability insurance company and follow their instructions. Please also notify the Uber Freight Inbound Support Line at 844-822-8237 and email [powerloop-trailerhealth@uberfreight.com](mailto:powerloop-trailerhealth@uberfreight.com).

as long as it's still available. You'll be paid using the same rate as the first booking and will not be allowed to place a bid. If a load is cancelled less than 6 hours from the scheduled pickup, it will be considered a late cancellation and will negatively impact your carrier's reliability score.

#### **Accounts Payable**

Please submit the signed Proof of Delivery via the Uber Freight app. If unable to submit in app, please email it to [freight-bol@uber.com](mailto:freight-bol@uber.com). A complete, legible, signed and otherwise acceptable copy of the bill of lading (the POD) is required for payment. Please submit the POD within 24 hours after delivery.

#### **Powerloop Trailer Assignment**

Carriers are required to provide the Powerloop trailer number(s) that were utilized on all shipments moved using a Powerloop trailer. Failure to provide the accurate Powerloop trailer number(s) will result in a payment hold for the applicable shipment until the trailer number(s) are provided.

#### **Powerloop Trailer Late Fee Rates**

If Carrier does not return the Trailer as instructed in the Rate Confirmation, use charges may apply according to the Trailer Use Agreement. Request changes to the Dropoff Time or Location by emailing [powerloop-trailerswaps@uberfreight.com](mailto:powerloop-trailerswaps@uberfreight.com). If you encounter an unforeseen issue preventing timely return, please contact our support line at 844-822-8237.
