Instructions

LG New Location - LGELENNJ: ===== DISPATCH COMMENT =====

LG US DC - Appointment times are very strict. Please contact Axle ASAP if there are any delays.

***With the situation happening across the country we are much concerned about the safety of LG loads for the months ahead. We ask you kindly to stay vigilant and to be very cautious when stopping at truck stops, gas stations and rest areas. Loads are being tracked and Overhaul's GPS Tracking team communicates with all drivers that stop before driving 150 miles.

***All drivers need to follow the rules, please share these requirements as you award loads to your drivers/carriers:

1. After leaving any LG facility all drivers MUST drive a minimum of 150 miles before stopping. If any load stops less than 150 miles, an Overhaul agent will contact the driver and carrier multiple times until the load moves, if no contact with driver or carrier is made we will engage Law enforcement.
2. Drivers will be required to sign an agreement stating they will drive at least 150 miles away from the shipper prior to stopping.
3. If a driver's tractor breakdowns, driver MUST report it immediately to carrier's dispatch FIRST so that trailer can be taken back to LG's yard if driver has not driven a minimum of 150 miles.
4. Should a driver need to reset his hours after pickup, they MUST drop the trailer at an LG facility rather than their local yard.
5. If driver must stop overnight or for a long period of time, it MUST be in a secured yard that is guarded, well-lit, and monitored with surveillance cameras.
6. Truckers can protect their trucks and cargo by avoiding leaving their equipment unattended in high-theft metropolitan areas.
7. Truckers should be on the lookout for vehicles following them as they leave warehouses with goods. Contact the local police to report any suspicious situations.
8. Mandating drivers keep the truck tethered to the trailer is a must.
9. [For loads with Overhaul] Have drivers call 1-86-OVERHAUL (1-866-837-4285) to report any intentional or unintentional stops (mechanical issues included).

** Appointments are strict. Late arrivals may result in long wait times or possible reschedule for next available appointment. Promptness is of the utmost importance **

*** Carrier shall obtain a proof of delivery (POD) for all shipments by notation on the bill of lading or a delivery receipt. All PODs, including but not limited to PODs for drop shipments, must be signed by the driver and the consignee upon delivery, and in the event the bill of lading or a delivery receipt consists of more than one page, each page of POD must be signed by its driver and the consignee. All PODs must show the delivery date and the number of the pieces delivered. Carrier shall provide Broker a complete set of POD within 2 days of Broker's request. In the event that Carrier fails to provide POD within such 2 days or POD provided by Carrier fails to satisfy any requirements stated herein, Carrier shall be liable for an amount equal to the amount of any freight claim filed in connection with the shipment, in addition to Carrier's liability for freight claims under the Broker-Carrier Agreement. ***
