Shipper hereby certifies that he/she is familiar with all the terms and conditions of the said Bill of Lading, including those on the back thereof, set forth in the classification of tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted by their self and their assigns. The product comprising this shipment has not been subjected to a validated pathogen kill step.

RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and the shipper, if applicable, otherwise to the rates, classifications and rules that have been established by the carrier and are available to the shipper, on request; the property described above, in apparent good order, except as noted (contents and condition of contents of package unknown), marked, consigned, and destined as indicated above, which said carrier (the word carrier being understood through this contract as meaning any person or corporation in possession of the property under contract), agree to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or in any said property, that every service performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) Official, Southern, Western, and Illinois Freight Classification in effect on the date hereof, if this is a rail or rail water shipment, or (2) in the applicable motor carriers classification or tariff if this is a motor carrier shipment.

LTL trailers must be sealed/padlocked for delivery. Do not ship with poisons, hazardous materials, aromatic materials or any products that expose the product to foreign material (including but not limited to moisture, plastic, wood, metal, etc.). Carrier will be responsible for any damaged, lost or rejected product(s) within these expectations.
