Rate Confirmation Terms and Conditions

1. This rate confirmation is subject to the terms and conditions of the Broker-Carrier Agreement ("Agreement") in place between Direct Connect Logistix, Inc. ("DCL") and the motor carrier referenced above ("Carrier"). This rate confirmation shall be effective upon the earlier of: (i) Carrier's acceptance in writing, including email, or verbally; (ii) Carrier's physical possession acceptance of the shipment; or (iii) Carrier's failure to reject this rate confirmation within twenty-four (24) hours.

2. The rates and charges provided in this rate confirmation shall represent the total compensation owed to Carrier, inclusive of any accessorial, fuel surcharges, or any other charge or expense, unless otherwise expressly stated herein. The rates and charges cannot be amended, modified, or supplemented except by written agreement of an authorized representative of DCL. Any rates, charges, fees, terms and/or conditions contained in any tariff, circular, schedule or similar document maintained or used by Carrier shall not apply, unless expressly agreed upon by DCL.

3. Additional operational terms and conditions applicable to the shipment may be included in the Carrier Instructions and Requirements and such additional operational terms and conditions shall apply. To the extent the Carrier Instructions and Requirements conflict with the Agreement, the Carrier Instructions and Requirements shall supersede and apply. Carrier acknowledges that all freight handling, routing, and delivery instructions provided by DCL are those of the Customer.

4. Carrier must have written approval from DCL to be included on rate confirmation for any additional charges including but not limited to, detention, stop off, layover, loading, or unloading. Any additional charges not approved by DCL will not be invoiced by Carrier nor compensated by DCL.

5. Carrier shall submit all service and operational documents, such as receipts, to DCL within forty-eight (48) hours of delivery.

6. Carrier shall submit all invoices for services rendered within ninety (90) days of delivery or when delivery reasonably should have occurred and failure to submit invoices within such ninety (90) day period shall constitute Carrier's waiver of all rights and remedies to payment. Broker shall make payment to Carrier for all undisputed charges within thirty five (35) days of Broker's receipt of Carrier's undisputed invoice and all other documentation required to substantiate Carrier's invoice. Carrier may select expedited payment for a fee of two percent (2%) of the gross rate. Fees for wire issuance will be assessed to Carrier.

7. Except when Carrier is tendered a sealed trailer, Carrier is solely responsible for loading and securing the shipment. Carrier is solely responsible for transporting the shipment within legal weight limits. If Customer does not scale on site, Carrier shall make an immediate protest prior to transporting the shipment and Carrier's failure to protest shall be deemed Carrier's acceptance of the shipment as provided and places liability on Carrier for fines, penalties, or costs associated with movement of an overweight shipment.

8. Carrier must notify DCL immediately of any overages, shortages, losses, or damages to freight transported by Carrier.

9. Carrier shall be liable for overages, shortages, losses, or damages to freight pursuant to 49 USC § 14706 and as further provided in the Agreement.

10. Carrier shall provide services pursuant to its motor carrier operating authority and shall not subcontract, broker, interline, or use substituted service without written authorization from DCL.

11. All shipments are subject to electronic monitoring and tracking. Carrier will lose right to detention or layover if Carrier does not provide or allow electronic tracking for the entire duration of the shipment.
12. Seals are required on all shipments, must be intact upon delivery, and the seal number must match the seal number provided on the bill of lading.
13. For temperature-controlled shipments, Carrier must verify temperature with the Customer prior to leaving origin. All refrigerated shipments must run on a continuous cycle unless otherwise expressly indicated. All trailers transporting temperature-controlled shipments must have the ability to produce a temperature download.
14. Failure by Carrier to provide DCL notice of delay prior to appointment shall subject Carrier to a \$250 rescheduling fee.
15. Failure to comply with these terms and conditions will constitute a breach of contract and may result in additional fees or non-payment.
16. Carrier shall only seek payment from DCL. Carrier shall remit original invoices, bills of lading, receipts, proofs of delivery, and all other required documentation to payables@directconnectlogistix.com.
