CARRIER REP SIGNATURE: \_\_\_\_\_

- This shipment will be picked up, transported and delivered by said named Carrier. Carrier agrees this shipment will not be re-brokered, trip leased, or blind shipped. If Carrier brokers this shipment in violation of this agreement, we reserve that right to pay the actual carrier. The shipment may not be transported via intermodal service or on the railroad. We reserve the right to deactivate any carriers involved with double-brokering.
- This rate confirmation will confirm the rate & contract terms agreed to in the master carrier contract by carrier and Hub Group or any Hub Group entity. This must be signed and returned before the carrier is dispatched. No payment will be issued to the carrier without this documentation.
- Directions are provided to the carrier for informational purposes only. It is the sole responsibility of the carrier to confirm a lawful, safe and appropriate route for their vehicles.
- Carrier must call Hub Group upon arrival and departure at each stop as well as daily transit check calls. Failure to do so will result in a \$25 fine for each occurrence.
- TRACKING: Tracking is required for all loads. Failure to activate tracking when requested or the deactivation of the tracking prior to delivery of the cargo to the final destination will result in a \$100 daily fine and will diminish the defense of any cargo claim.
- Carrier must sign and date the bill of lading at the time of pickup. The carrier must also get a signature or stamp on the Bill of Lading at the time of delivery to clearly indicate the shipment has been received.
- All equipment must be 102 in. wide unless otherwise noted and for exclusive use of the trailer. No co-mingling authorized. Must be clean, dry, odor free, and damage free.
- Carriers are responsible for case count and condition of the freight.
- Carriers are responsible to make sure seals are secure and intact before leaving shipper. Seal integrity must be maintained throughout delivery.
- Only receiver may break seal. Failure to adhere to seal policy may result in rejection of product and full claim.
- If shortage, damage, delay, or accident occurs, contact your Hub Group representative. Carrier is responsible for immediate completion of instructions given.
- If a valid claim is not paid by carrier timely, Hub Group may offset claim against any money owed to the carrier.
- If any product is rejected and left on the trailer, Hub Group must be made aware before the carrier leaves the delivery to get disposition. Leaving before receiving disposition can result in a claim.
- If carrier is not loaded/unloaded within an hour of being on-time, contact the Hub Group representative.
- If the carrier will be late to pick up or delivery, your Hub Group dispatcher must be contacted immediately. Late pickups and/or deliveries are subject to fines.
- Loading/Unloading charges and pallet fees must be authorized day of and original receipt must be presented to be paid.
- DETENTION: Carrier is required to notify their Hub Dispatcher from 1 hour before detention begins, to get the issue resolved. Carrier is required to receive in & out times (signature is acceptable if times are noted) from the shipper/consignee for detention approval and payout. Detention charges do NOT apply if carrier arrives at a time later than the scheduled appointment time.
- ADDITIONAL CHARGES: Carrier must advise Hub Group of all additional charges associated with the order that could result in additional or accessorial charges. Failure to notify Hub Group within 24-hours of the occurrence, or failure to provide proof of service (POS) could result in declination of additional charges.
- DOCUMENTATION: All documentation including, not limited to, BOLs, PODs if separate from the BOL, lumper receipts, storage receipts, carrier unload receipts, exit passes, etc. must be submitted within 48-hours of final delivery unless otherwise specified as needing sooner. Failure to do so may result in deductions or delayed payments.

### Shipments Transiting California

- Carrier (and its agent) certifies that any TRU (refrigerated unit) equipment furnished will be in compliance with the in-use requirements of California's TRU Regulations.

### Refrigerated Freight

- All shipments requiring refrigeration must have the capability to download temperature history or have temperature tracking device placed on the order.
- All trailers must be clean, dry, odor free, and swept out before picking up any load. Trailer cannot have any holes or openings and failure to reach these requirements may result in trailer being rejected. Carrier will not be compensated if rejected for any of these reasons.
- All carriers will ensure that the product will be loaded at the temperature that is required for the product to be hauled. Reefer unit must be precooled to the requested temperature, set on continuous, and maintained throughout transit.
