The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown) marked, consigned, and destined as shown below, which said carrier aggrees to carry to destination, if on its route, or otherwise to deliver to another carrier on the route to destination. Every service to be performed hareunder shall be subject to all the conditions not prohibited by law, whether printed or written, herein contained, including the conditions on the back hereof, which are hereby agreed to by the shipper and accepted for himself and his assigns. Carrier acknowledges that Global Transport Logistics, Inc., as agent for the disclosed shipper/consignor, has no liability for payment of freight or any other charges, and the transportation contract evidenced by this bill of lading is between the carrier and the designated shipper/consignor.
