## TERMS AND CONDITIONS OF SALE

1. Acceptance and Modification. This price quotation, sales order or order acknowledgment ("Order") constitutes an offer or, alternatively for a sales order or order acknowledgment, is an acceptance which in either case is made only upon the provisions expressed herein and may not be modified amended or waived except in writing by Seller's duly authorized representative. Seller hereby objects to any additional or different terms or conditions, whether or not material, contained in Buyer's purchase order or in any acknowledgment or confirmation of this Order. Buyer may accept the terms hereof by acknowledging or confirming this Order, commencing performance or other means manifesting assent to be bound.
2. Orders. Seller shall use its best efforts to manufacture and ship goods as ordered by Buyer, but as long as Seller acts in good faith and with due diligence. Seller shall not be responsible or liable for any production or shipping delays.
3. Prices and Price Changes. Prices may be increased at any time without prior notice. Buyer shall pay the price in effect based on order promise date. Any sales, use or other similar tax, cost, contribution, duties imposed by any governmental and/or authority on goods shipped by Seller shall be added to the price to be paid by Buyer.
4. Credit. Payment terms may be changed at any time with or without prior notice and are those in effect at time of shipment. Any invoice not paid when due shall be subject to a late charge of two percent (2%) per month or portion thereof. Any credit extended to Buyer hereunder shall be subject to Seller's normal credit standards and approval procedures in effect from time to time, and upon request Buyer shall provide Seller with sufficient information for Seller to evaluate Buyer's financial condition.
5. Delivery. Title passes at the producing mill irrespective of whether a freight allowance is provided or freight is prepaid. Seller reserves the right to route all shipments, if shipped otherwise at Buyer's request, Buyer shall pay the difference in the rate of transportation. Buyer assumes risk of damage or loss of goods and risk of delay in shipment upon Seller's delivery of goods to the carrier. Claims for loss or damage in transit must be filed in Buyer's name. Shipment and tender of goods may be made in a single delivery or in lots, at Seller's option.
6. Overruns/Underruns. Unless otherwise accepted by Seller in writing, Orders for goods are subject to Seller's standard practices for overruns and underruns according to the type and quantity of each item ordered. Unless otherwise expressly agreed in writing by Buyer the terms of delivery of goods hereunder must be in strict conformity with this Order and shall be of the essence as regards such delivery.
7. Limited Warranty. Because of the great number and variety of applications for which Seller's goods are purchased, Seller does not recommend specific applications or assume any responsibility for use, results obtained or suitability for specific applications. Buyer is cautioned to determine the appropriateness of Seller's goods for Buyer's specific application before ordering and to test and evaluate thoroughly all goods before use. All goods hereunder shall conform with Seller's standard grade specifications and title conveyed shall be good and marketable. THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED IN CONNECTION WITH THE SALE OF GOODS INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The foregoing is Buyer's sole and exclusive remedy hereunder.
8. Claims. Claims for defective goods must be made within thirty (30) days after shipment and Buyer's exclusive remedy shall be, at Seller's option and absolute discretion, replacement of the defective goods or credit or refund of the purchase price paid, plus cost of transportation with respect thereto. Neither Buyer nor Seller shall be liable for incidental, consequential, indirect, special, exemplary or punitive damages for default, and Seller shall not be liable for any claim in excess of the purchase price of the goods to which the claim relates, whether involving defective goods or otherwise arising in contract or tort, including strict liability and negligence.
9. Separate Shipment. Each shipment of goods shall constitute a separate and distinct sale, and any default by Buyer in ordering, accepting or paying for any shipment shall not affect Seller's right to insist upon full performance of Buyer's obligations hereunder and to stop shipments until any and all such defaults are made good. Seller may, at its option, treat such default as a final refusal of Buyer to accept further shipments.
10. Indemnity. If any claim is made that Seller is violating any law or regulation or is infringing any patent, trademark or copyright or is contributing to any act of unfair competition by reason of Seller's manufacture or sale to Buyer of goods specified by Buyer, Seller, at its option, may suspend shipment or cancel the Order. Buyer, at its own expense, shall indemnify and hold harmless Seller from any claim, charge, liability, or damage violating any law or regulation, infringing any patent, trademark or copyright or contributing to any act of unfair competition by reason of Seller's manufacture or sale to Buyer of goods specified by Buyer.
11. Force Majeure. Seller shall not be responsible or liable for failure to perform attributable to any cause or contingency beyond its reasonable control, including without limitation: act of God, act or omission of civil or military authority; fire; flood; tempest; epidemic; earthquake; volcanic activity; quarantine restriction; labor dispute (e. g., lockout, strike or work stoppage or slowdown); embargo; war; political strife; delay in transportation; scarcity or inability to obtain raw materials or energy at reasonable prices; compliance with any regulation or directive of any national, state or local government, or any department or agency thereof; or any other cause which by the exercise of reasonable diligence Seller is unable to overcome.
12. Entire Agreement. The terms and conditions contained herein (and contained on Seller's quotation, specifications, order acknowledgment, invoice and other forms) constitute the entire agreement between the parties with respect to the subject matter contained herein and supersede all prior agreements and understandings between the parties. These terms and conditions may be modified only by a writing signed by both parties.
13. ASSIGNMENT. Seller and Buyer may neither assign this Order or any part hereof, nor delegate performance hereunder without the non-assigning Party's prior consent, which shall not be unreasonably withheld and any attempted assignment or delegation without such consent shall be null and void.
14. Governing Law. The rights and obligations of the parties contained herein shall be governed by the laws according to the state of product manufacture, excluding any choice of law rules which may direct the application of the laws of another jurisdiction.
