If a Carrier needs to change the empty trailer drop-off location, due to an upcoming Uber Freight load that requires an empty trailer dropped off, they may make a request by sending an email to powerloop-trailerswaps@uberfreight.com.

Powerloop Empty Trailer Dropoff Time

After completing a Powerloop load, the carrier can utilize the Powerloop trailer to haul their own backhaul, another Uber Freight load, or return the trailer empty. Carriers can request time extensions (up to 3 days) with our trailers for a fee of \$ 50 a day by emailing powerloop-trailerswaps@uberfreight.com.

Powerloop Trailer Toll Charges

Tolls charged to Powerloop trailers will be automatically deducted from payment for the loads during which the toll events occur. Powerloop will notify you of the charge via email, including information regarding the toll event such as toll authority, location, time, and date of the toll event.

Powerloop Trailer - Inspections

Carrier is required to perform a pre-trip and post-trip inspection of the condition of the trailer that will note all damage and the condition of safety related items including, but not limited to, tires, lugnuts, brakes, air systems, and sliding tandem hook pins that are observable upon reasonable inspection. If Carrier identifies the Trailer requires maintenance during the pre-trip inspection, please contact FYX at 866-498-9525. If Carrier identifies the Trailer requires maintenance during the post-trip inspection, please email powerloop-trailerhealth@uberfreight.com and do not contact FYX.

Carrier will pay any such cost to the third-party maintenance provider or to Powerloop. Carrier will pay FYX directly for tire damage not caused by normal wear and tear, including but not limited to, bald/worn tires, run flat, run to destruction, skid flat/dragging, cut, curbed, impacted, or road hazard. Unless stated otherwise, Powerloop will arrange and coordinate all trailer maintenance and the Carrier is not permitted to perform repairs to the Powerloop trailer. If Carrier performs repairs on the Powerloop trailer, reimbursement is not guaranteed. FYX's services are not available for the Carrier's Power Unit.
