GENERAL INSTRUCTIONS

By signing this rate confirmation, the carrier agrees to the following: 1. TONU is paid out to a carrier that has been dispatched and on the way to pick up. TONU rate is \$150.00. Detention starts after 3 hours and is paid out \$25/hr every hour until the max of \$250. Once the max is established, a layover of \$250 shall be paid out. Detention starts back up 24 hours after pick up time, where the same rates apply. 2. It is the carriers responsibility to make sure the product that is being loaded onto the truck matches what is on the rate confirmation. If there are any discrepancies or problems, this needs to be brought up to the broker immediately. Tom can be reached at 732-770-2997. Mike can be reached at 843-908-6596. Carrier is also required to seal the truck after loading. 3. Three check calls and macropoint are required to be accepted by the carrier. Failure to do so can result in fines. TEAM loads are defined as 2 CDL licensed drivers driving their full 10 hour shifts consecutively. 4. All paperwork must be submitted to broker and our Accounts Payable team after completion of the load. Please send to docs@usi-logistics.com. Failure to do this can result in late payments.
