Rate Confirmation Agreement for Topo Logistics

- This document can be used as a substitute for an invoice. If there are objections to the terms stated they must be submitted within 24 hours after receipt.
- Topo Logistics must approve *all* accessorial terms and charges in advance and in writing. Topo Logistics does *not* pay detention on produce or similarly run FCFS shipments.
- Topo pays Layovers at a rate of \$150 per day unless the load is shipping from a FCFS produce shipper.
- Topo pays Truck Order Not Used at a rate of \$100.
- Topo's Detention begins after two hour from appointment or arrival at a FCFS shipper or receiver. Topo must be notified within one hour or arrival if there is no touch to the driver. Detention will be paid at a rate of \$35. We require the in and out times on the boy with the shipper or receiver's signature.
- Any authorized unloading will only be reimbursed with a valid unloading receipt.
- EFS codes for lumper fees (LOADING/UNLOADING FEES) can be requested by calling or texting 423-205-3021. There will be a \$10.00 convenience fee charged for issuing EFS CODES that will not be reimbursed. All lumper receipts must be submitted within 72 hours for reimbursement.
- Topo must be notified prior to a carrier paying a lumper fee on a Topo shipment. Failure to do so, might jeopardize reimbursement.
- Load tracking via TruckerTools or Macropoint is *mandatory* and if implemented properly will eliminate the need for daily check calls. Failure to comply *will* disqualify you from receiving any/all detention and may result in a rate reduction of \$150.00 per occurrence.
- The carrier must submit the BOL or POD within two business days of delivery, or the carrier may be subject to a \$25 per day fine.
- If pickup or delivery times are missed without prior notification to Topo Logistics, carrier will be subject to penalty charges of \$150 per day. Additional late delivery charges may be incurred depending on the severity of the situation.
- ALL DRIVERS MUST FOLLOW THE TEMPERATURE STATED ON THE BILLS OF LADING PROVIDED BY THE SHIPPER and run those temperatures continuously for the duration of the load. ANY QUESTIONS REGARDING TEMPERATURE MUST BE RESOLVED BEFORE LEAVING THE SHIPPER. To do so, please call 423-205-3021, Ext. 1. If driver or dispatcher prefers text then he may simply text 423-205-3021. If there are any temperature issues not resolved before leaving the shipper the carrier will be held responsible for any damage caused directly or indirectly by the temperature issue(s) to the shipment.
- If the driver or dispatch cannot be contacted over a 24hr period, the rate will be reduced \$250.
- Driver is responsible for all load counts. If a driver is not granted access to the loading dock they must call the broker to notify immediately.

- If there are any issues—overage, shortage, damage or reject—with the product on the truck upon delivery, DO NOT LEAVE THE RECEIVER until driver or dispatcher has notified Topo Logistics, been issued a claim number by receiver, and has been released by receiver. Immediately after receiving the claim number from the receiver please provide the claim number to Topo Logistics to avoid delays in payment. FAILURE TO REPORT ALL OVERAGES, SHORTAGES, OR REJECTIONS PRIOR TO LEAVING FACILITY MAY RESULT IN CARRIER LIABILITY.
- Any directions given to the carrier are for informational purposes only.
- Carrier acknowledges that they are solely responsible for compliance with all applicable HOS regulations, as well as all other FMCSA regulations.
- No drivers are authorized to break seals under any circumstances. Seals must only be broken by the consignee's personnel. Loads delivered without the seals intact will result in fines and potential claims.
- Carrier agrees this shipment will not be re-brokered or said the carrier forfeits the right to collect charges and agrees Topo Logistics may pay charges directly to the underlying carrier to collect charges and agrees.
- THIS AGREEMENT IS SUBJECT TO THE TERMS OF THE BROKER/CARRIER AGREEMENT SIGNED BY THE CARRIER AND TOPO LOGISTICS. THIS AGREEMENT IS AN ADDENDUM TO THE BROKER/ CARRIER AGREEMENT.
- Carrier representative submission with acceptance and signature indicates approval of all rates and terms listed on rate confirmation.

Received subject to classifications & lawfully filed tariffs in effect on date of issue of Bill of Lading, property described in apparent good order, except as noted (contents & condition of contents of package unknown), marked, consigned, & destined as indicated, which said carrier (word carrier being understood throughout this contract as meaning any person or corporation in possession of property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, & as to each party at any time interested in all or any of said property, that every service to be performed over all or any portion shall be subject to all terms & conditions of Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect of date hereof, if this is a rail or rail water shipment or (2) in applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all terms & conditions of said bill of lading, including those of the back thereof, set forth in the classification or tariff which governs transportation of this shipment, & said terms & conditions are hereby agreed to by shipper & accepted for himself & his assigns. * If shipment moves between two points by a carrier by water, law requires the bill of lading shall state whether it is "carriers or shippers weight." Note - Where the rate is dependent on value, shippers are required to state specifically in writing, the agreed or declared value of property is hereby specifically stated by shipper to be not exceeding 125 cwt. ** This is to certify that the above articles are property described by name & are packed & marked & are in proper condition for transportation according to regulations prescribed by the Interstate Commerce Commission.

Received subject to classifications & lawfully filed tariffs in effect on date of issue of Bill of Lading, property described in apparent good order, except as noted (contents & condition of contents of package unknown), marked, consigned, & destined as indicated, which said carrier (word carrier being understood throughout this contract as meaning any person or corporation in possession of property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, & as to each party at any time interested in all or any of said property, that every service to be performed over all or any portion shall be subject to all terms & conditions of Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect of date hereof, if this is a rail or water shipment or (2) in applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all terms & conditions of said bill of lading, including those of the back thereof, set forth in the classification or tariff which governs transportation of this shipment, & said terms & conditions are hereby agreed to by shipper & accepted for himself & his assigns.

* If shipment moves between two points by a carrier by water, law requires the bill of lading shall state whether it is "carriers or shippers weight." Note - Where the rate is dependent on value, shippers are required to state specifically in writing, the agreed or declared value of property is hereby specifically stated by shipper to be not exceeding 125 cwt.

** This is to certify that the above articles are property described by name & are packed & marked & are in proper condition for transportation according to regulations prescribed by the Interstate Commerce Commission.

Received subject to classifications & lawfully filed tariffs in effect on date of issue of Bill of Lading, property described in apparent good order, except as noted (contents & condition of contents of package unknown), marked, consigned, & destined as indicated, which said carrier (word carrier being understood throughout this contract as meaning any person or corporation in possession of property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, & as to each party at any time interested in all or any of said property, that every service to be performed over all or any portion shall be subject to all terms & conditions of Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect of date hereof, if this is a rail or rail water shipment or (2) in applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all terms & conditions of said bill of lading, including those of the back thereof, set forth in the classification or tariff which governs transportation of this shipment, & said terms & conditions are hereby agreed to by shipper & accepted for himself & his assigns. * If shipment moves between two points by a carrier by water, law requires the bill of lading shall state whether it is "carriers or shippers weight." Note - Where the rate is dependent on value, shippers are required to state specifically in writing, the agreed or declared value of property is hereby specifically stated by shipper to be not exceeding 125 cwt.

** This is to certify that the above articles are property described by name & are packed & marked & are in proper condition for transportation according to regulations prescribed by the Interstate Commerce Commission.

Received subject to classifications & lawfully filed tariffs in effect on date of issue of Bill of Lading, property described in apparent good order, except as noted (contents & condition of contents of package unknown), marked, consigned, & destined as indicated, which said carrier (word carrier being understood throughout this contract as meaning any person or corporation in possession of property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, & as to each party at any time interested in all or any of said property, that every service to be performed over all or any portion shall be subject to all terms & conditions of Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect of date hereof, if this is a rail or rail water shipment or (2) in applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all terms & conditions of said bill of lading, including those of the back thereof, set forth in the classification or tariff which governs transportation of this shipment, & said terms & conditions are hereby agreed to by shipper & accepted for himself & his assigns. * If shipment moves between two points by a carrier by water, law requires the bill of lading shall state whether it is "carriers or shippers weight." Note - Where the rate is dependent on value, shippers are required to state specifically in writing, the agreed or declared value of property is hereby specifically stated by shipper to be not exceeding 125 cwt.

** This is to certify that the above articles are property described by name & are packed & marked & are in proper condition for transportation according to regulations prescribed by the Interstate Commerce Commission.

DATE

Received subject to classifications & lawfully filed tariffs in effect on date of issue of Bill of Lading, property described in apparent good order, except as noted (contents & condition of contents of package unknown), marked, consigned, & destined as indicated, which said carrier (word carrier being understood throughout this contract as meaning any person or corporation in possession of property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on route to said destination. It is mutually agreed, as to each carrier of all or any portion of said property over all or any portion of said route to destination, & as to each party at any time interested in all or any of said property, that every service to be performed over all or any portion shall be subject to all terms & conditions of Uniform Domestic Freight Bill of Lading set forth (1) in Uniform Freight Classification in effect of date hereof, if this is a rail or rail water shipment or (2) in applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all terms & conditions of said bill of lading, including those of the back thereof, set forth in the classification or tariff which governs transportation of this shipment, & said terms & conditions are hereby agreed to by shipper & accepted for himself & his assigns. * If shipment moves between two points by a carrier by water, law requires the bill of lading shall state whether it is "carriers or shippers weight." Note - Where the rate is dependent on value, shippers are required to state specifically in writing, the agreed or declared value of property is hereby specifically stated by shipper to be not exceeding 125 cwt.

** This is to certify that the above articles are property described by name & are packed & marked & are in proper condition for transportation according to regulations prescribed by the Interstate Commerce Commission.

Received subject to classifications & lawfully filed tariffs in effect on date of issue of Bill of Lading, property described in apparent good order, except as noted (contents & condition of contents of package unknown), marked, consigned, & destined as indicated, which said carrier (word carrier being understood throughout this contract as meaning any person or corporation in possession of property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, & as to each party at any time interested in all or any of said property, that every service to be performed over all or any portion shall be subject to all terms & conditions of Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect of date hereof, if this is a rail or rail water shipment or (2) in applicable motor carrier classification or tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all terms & conditions of said bill of lading, including those of the back thereof, set forth in the classification or tariff which governs transportation of this shipment, & said terms & conditions are hereby agreed to by shipper & accepted for himself & his assigns. * If shipment moves between two points by a carrier by water, law requires the bill of lading shall state whether it is "carriers or shippers weight." Note - Where the rate is dependent on value, shippers are required to state specifically in writing, the agreed or declared value of property is hereby specifically stated by shipper to be not exceeding 125 cwt. ** This is to certify that the above articles are property described by name & are packed & marked & are in proper condition for transportation according to regulations prescribed by the Interstate Commerce Commission.
